

SPEARHEADING REGENERATION
WITH WILD BLUE GREEN ALGAE

The background of the cover is a complex, abstract geometric pattern. It features a central circular area that resembles a globe, composed of many small, triangular facets in shades of green and blue. This central area is surrounded by larger, darker geometric shapes, including a prominent blue star-like shape on the right side. The overall effect is a sense of depth and complexity, with a color palette dominated by various shades of green, blue, and purple.
