The German Collapse In 1918:

The German Collapse in 1918 Charles F. Sidman, 1972 The Causes of the German Collapse in 1918 Germany. Nationalversammlung (1919-1920). Untersuchungsausschuss über die Weltkriegsverantwortlichkeit, 1934 *The Causes of the German Collapse in 1918* Germany. Constituent Assembly, 1934 **The Causes of the German Collapse in 1918** Germany. Nationalversammlung, Ralph Haswell Lutz, 1934 The Causes of the German Collapse in 1918 Germany (Federal Republic). Nationalversammlung, 1919-1920. Untersuchungsausschuss über die Weltkriegsverantwortlichkeit, 1962 **The Dynamics of Doctrine** Timothy T. Lupfer, 1981 This paper is a case study in the wartime evolution of tactical doctrine Besides providing a summary of German Infantry tactics of the First World War this study offers insight into the crucial role of leadership in facilitating doctrinal change during battle It reminds us that success in war demands extensive and vigorous training calculated to insure that field commanders understand and apply sound tactical principles as guidelines for action and not as a substitute for good judgment It points out the need for a timely effort in collecting and evaluating doctrinal lessons from battlefield experience Abstract **Violence and the German Soldier in the Great War** Benjamin Ziemann, 2017-09-21 Translated into English as the Winner of the Geisteswissenschaften International Translation Prize for Work in the Humanities and Social Sciences 2015 During the Great War mass killing took place on an unprecedented scale Violence and the German Soldier in the Great War explores the practice of violence in the German army and demonstrates how the killing of enemy troops the deaths of German soldiers and their survival were entwined As the war reached its climax in 1918 German soldiers refused to continue killing in their droves and thus made an active contribution to the German defeat and ensuing revolution Examining the postwar period the chapters of this book also discuss the contested issue of a brutalization of German society as a prerequisite of the Nazi mass movement Biographical case studies on key figures such as Ernst Jünger demonstrate how the killing of enemy troops by German soldiers followed a complex set of rules Benjamin Ziemann makes a wealth of extensive archival work available to an Anglophone audience for the first time enhancing our understanding of the German army and its practices of violence during the First World War as well as the implications of this brutalization in post war Germany This book provides new insights into a crucial topic for students of twentieth century German history and the First World War **Standing Fast: German Defensive Doctrine on the Russian Front During World War II — Prewar to March 1943** Major Timothy A. Wray, 2015-11-06 Includes over 50 maps plans and illustrations In this Research Survey Major Timothy A Wray provides an excellent survey of the intricacies of employing defensive tactics against a powerful opponent Using after action reports unit war diaries and other primary materials Major Wray analyzes the doctrine and tactics that the Germans used on the Eastern Front during World War II At the end of World War I the Germans adopted the elastic defense in depth and continued to use it as their basic doctrine through the end of World War II However because of limitations caused by difficult terrain severe weather manpower and supply shortages Soviet tactics and Hitler's

order to stand fast German commanders were unable to implement the Elastic Defense in its true form Even so innovative and resourceful unit commanders were able to adapt to the harsh realities of combat and improvise defensive methods that saved the German armies from complete annihilation U S Army unit commanders on the future battlefield while battling a motivated and aggressive force will also face hard battlefield conditions Therefore these commanders in applying the AirLand Battle tenets of initiative depth agility and synchronization will have to demonstrate the same type of innovativeness and resourcefulness as the Germans did in Russia To operate on the AirLand Battlefield U S soldiers must depend on sound doctrine and the ability to execute it intelligently All Army officers will benefit from Major Wray s new and vital assessment of how German doctrine was modified by the test of war
