

ADVENT

"May we be in this world a ray of that light which shone forth from Bethlehem, bringing joy and peace to the hearts of all men and women."

— Pope Francis

FIRST SUNDAY

The first candle on the Advent wreath represents Hope – the first Sunday of Advent not only leads us to anticipate the birth of Christ but celebrate the beginning of a new liturgical season as well. It is purple, the primary color of Advent and a color symbolizing royalty. Sometimes called the "Prophecy Candle," the first candle harkens us back to Isaiah's foretelling of the birth of Christ and all of the promises God gave us in the Old Testament that would be fulfilled by the birth of Jesus.

📅 Sunday, December 3

SECOND SUNDAY

The second candle on the Advent wreath represents Peace and is also purple. Often called the "Bethlehem Candle," this candle reminds us of Mary and Joseph's journey from Nazareth to Bethlehem before Mary gave birth to Jesus. It also builds on the meaning of the Prophecy Candle, recalling that after the division, destruction, and dispersion of the kingdom in the Old Testament, there might finally be peace on Earth.

📅 Sunday, December 10

THIRD SUNDAY

The third candle of Advent symbolizes Joy. As we continue to approach Christmas Day, our joy grows more and more. It takes us back to the joyful anticipation of the shepherds who journeyed to see Jesus in Bethlehem, even before the wise men. On this third Sunday of Advent, which the Church calls "Gaudete Sunday," meaning rejoice or praise, we light the third candle and rejoice like the shepherds. For this reason, it is called the "Shepherd's Candle," and its color is pink, the liturgical color for joy.

📅 Sunday, December 17

FOURTH SUNDAY

The fourth candle of Advent represents Love, the ultimate love of God that He might send His only Son for us. Called the "Angel's Candle," the fourth candle of Advent is lit the Sunday before Christmas, and it is the color purple, leading us to eagerly await the new Kingdom of God on earth.

Clark, Marcus Peter Johnson, 2021-07-20 This book shows that theology is both integrally related to formation in Jesus Christ and shapes our understanding of the world Christian formation is incomplete and impossible without theological formation because Christ transforms our hearts and minds attuning them to the reality of God As the authors explore the deep connections between theology and the life of the Christian they emphasize Christian formation as a defining feature of the church arguing that theology must be integrally connected to the church's traditions and practices *Parousia: The New Testament Doctrine of Our Lord's Second Coming* James Stuart Russell, 2013-12-13 James Stuart Russell published *Parousia* in 1878 arguing for the doctrine of the past second Advent and remains a great classic exposition of preterism **Radical Theology and Emerging Christianity** Katharine Sarah Moody, 2016-03-03 The theological turn in continental philosophy and the turn to Paul in political philosophy have occasioned a return to radical theology a tradition whose philosophical heritage can be traced to the death of God announced in the work of Nietzsche and Hegel John D Caputo's deconstructive theology and Slavoj Žižek's materialist theology are two radical theologies that explore what it might mean to pass through the death of God and to abandon this experience as specifically Christian Radical Theology and Emerging Christianity demonstrates how these theologies are transforming everyday religious practices through an examination of the work of Peter Rollins and Kester Brewin two figures at the radical margins of a contemporary expression of Western religiosity called emerging Christianity The author uses her analysis of all four figures to argue that deconstructive practices can enable religious communities to become part of a wider materialist collective in which the death of God continues to resonate Pushing the methodological boundaries of philosophy of religion by examining religious practices as the site of philosophical signification the book challenges scholars and practitioners alike to
