Julia M. Walker

The Mirror Of Medusa:

Medusa David Leeming, 2013-06-01 With her repulsive face and head full of living venomous snakes Medusa is petrifying quite literally since looking directly at her turned people to stone Ever since Perseus cut off her head and presented it to Athena she has been a woman of many forms a dangerous female monster that had to be destroyed an erotic power that could annihilate men and thanks to Freud a woman whose hair was a nest of terrifying penises that signaled castration She has been immortalized by artists from Leonardo da Vinci to Salvador Dal and was the emblem of the Jacobins after the French Revolution Today she is viewed by feminists as a noble victim of patriarchy and used by Versace in the designer's logo for men's underwear haute couture and exotic dinnerware She even gives her name to a sushi roll on a Disney resort menu Why does Medusa continue to have this power to transfix us David Leeming seeks to answer this question in *Medusa* a biography of the mythical creature Searching for the origins of Medusa's myth in cultures that predate ancient Greece Leeming explores how and why the mythical figure of the gorgon has become one of the most important and enduring ideas in human history From an oil painting by Caravaggio to *Clash of the Titans* and *Dungeons and Dragons* he delves into the many depictions of Medusa ultimately revealing that her story is a cultural dream that continues to change and develop with each new era Asking what the evolution of the Medusa myth discloses about our culture and ourselves this book paints an illuminating portrait of a woman who has never ceased to enthrall

Medusa's Mirrors Julia M. Walker, 1998 The question of selfhood in Renaissance texts constitutes a scholarly and critical debate of almost unmanageable proportions The author of this work begins by questioning the strategies with which male writers depict powerful women Although Spenser's Britomart Shakespeare's Cleopatra and Milton's Eve figure selfhood very differently and to very different ends they do have two significant elements in common mirrors and transformations that diminish the power of the female self

The Family in the Mirror Drew Bridges, 2015-12-18 As an abused child Melinda Master was sent to a psychiatric clinic to help healing her emotional scars The young director of the clinic was John Randt and despite his good intentions nothing was done to help her She left just as traumatized as when she arrived and returns to a cult like existence As an adult Melinda comes back into the life of John Randt who still runs the clinic He is now distracted and vulnerable due to various losses in his own life But now Melinda is not alone She brings as part of her life a developmentally disabled child a beautiful young yoga instructor and a woman of darkness who offers Melinda a shocking plan as a path out of the personal prison of her father's home Due to John's pain he is charmed by Melinda and soon falls into a relationship with her not knowing she plans his death The trap is set and ready to spring John's only hope for survival is in recognizing the true identity of Melinda and those who support her murderous cause He is isolated from family and friends just as traumatized as his ex-patient so will anyone escape this poisonous game unscathed
