Examination of the important works by such authors as Dostoevsky Gide Sartre Golding and Bellow as examples of a unique literary genre the confessional novel The Modern Confessional Novel Agnes A. Davis, 1969 *God and Self in the Confessional Novel* John D. Sykes, Jr., 2018-06-08 *God and Self in the Confessional Novel* explores the question what happened to the theological practice of confession when it entered the modern novel Beginning with the premise that guilt remains a universal human concern this book considers confession via the classic confessional texts of Augustine and Rousseau Employing this framework John D Sykes Jr examines Goethe's *The Sorrows of Young Werther* Dostoevsky's *Notes from Underground* Percy's *Lancelot* and McEwan's *Atonement* to investigate the evolution of confession and guilt in literature from the eighteenth century to the early twenty first century **Modern Confessional Writing** Jo Gill, 2006 This collection of essays provides a critique of the popular and powerful genre of confessional writing Contributors discuss a range of poetry prose and drama including the work of John Berryman Anne Sexton Ted Hughes and Helen Fielding The Sexual Politics of Time Susannah Radstone, 2007-12-03 Looking at a diverse range of texts including Marilyn French's *The Women's Room* Philip Roth's *Patrimony* the writings of Walter Benjamin and Fredric Jameson and films such as *Cinema Paradiso* Susannah Radstone argues that though time has been foregrounded in theories of postmodernism those theories have ignored the question of time and sexual difference *The Sexual Politics of Time* proposes that the contemporary western world has witnessed a shift from the age of confession to the era of memory In a series of chapters on confession nostalgia the memories of boyhood film and the memoir Susannah Radstone sets out to complicate this claim Developing her argument through psychoanalytic theory she proposes that an attention to time and sexual difference raises questions not only about the analysis and characterization of texts but also about how cultural epochs are mapped through time *The Sexual Politics of Time* will be of interest to students and researchers of time memory difference and cultural change in subjects such as Media and Cultural Studies Sociology Film Studies The Japanese Novel of the Meiji Period and the Ideal of Individualism Janet A. Walker, 2019-01-29 The Western ideal of individualism had a pervasive influence on the culture of the Meiji period in Japan 1868-1912 Janet Walker argues that this ideal also had an important influence on the development of the modern Japanese novel Focusing on the work of four late Meiji writers she analyzes their contribution to the development of a type of novel whose aim was the depiction of the modern Japanese individual Professor Walker suggests that Meiji novels of the individual provided their readers with mirrors in which to confront their new found sense of individuality Her treatment of these novels as confessions allows her to discuss the development of modern Japanese literature and the modern literary self both in themselves and as they compare their prototypes and analogues in European literature The author begins by examining the evolution of a literary concept of the inner self in Futabatei Shimei's novel *Ukigumo* *The Floating Clouds* Kitamura Tokoku's

essays on the inner life and Tayama Katai's I novel *Futon The Quilt* She devotes the second half of her book to Shimazaki Toson the Meiji novelist who was most influenced by the ideal of individualism Here she traces Toson's development of a personal ideal of selfhood and analyzes in detail two examples of the lengthy confessional novel form that he created as a vehicle for its expression Janet A Walker is Associate Professor of Comparative Literature at Livingston College Rutgers University Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
