The Most Corrupt British Judges:

The Most Corrupt British Judges A. Adoko, 2005-07-01 On the publication of the first edition of his book *The Most Corrupt British Judges* the Author a lawyer with over fifty years experience of legal practice sent copies of it to the Lord Chancellor and the Commissioner of the Metropolitan Police in London with formal complaints for investigations of the crimes committed by some judges The office of the Lord Chancellor promised to carry out necessary investigations When the Author demanded that the investigations comply with the rule of natural justice or that they treat the complaint as withdrawn they opted to treat the complaint as withdrawn On receipt of the complaints the Commissioner of Metropolitan Police appointed Senior Superintendent Coles to investigate it As no investigation took place the Author made a formal application to the criminal court for a private prosecution of one of the judges Lord Justice Morrison for the offence of perverting the course of justice The application was not dealt with by a Magistrate as required by law but by a court clerk who rejected it on the ground that it would create a precedent where judges would no longer judge without fear In short that judges were to be above the law The author appealed to the High Court which upheld the decision of the clerk and refused to have the case heard on its merit Though the book was published on the Internet and an affidavit affirming that the accusations in it are true yet no notice to sue for libel was ever given Nor was there a criminal prosecution for perjury although at the time former Minister Jonathan Atkins and former Chairman of the Conservative Party Lord Jeffrey Archer were prosecuted for perjury in similar circumstances Failure to prosecute and to sue are admission that the abuse of judicial power complained of took place
