The Music Of Joseph Haydn The Symphonies:

The Music of Joseph Haydn, the Symphonies Antony Hodgson, 1976 **The Music of Joseph Haydn** Antony Hodgson, 1976-07-01 *London Symphonies Nos. 99-104 in Full Score* Joseph Haydn, 1999-01-01 It was in his monumental 12 London symphonies composed between 1791 and 1795 that Haydn shaped the early form of the symphony and set the standard for later composers According to the New Grove's Dictionary of Music and Musicians the appeal of these works stems from their stature as grand symphonies embodying a broader presentation of musical ideas and themes and motifs of a basic simplicity and immediate appeal The present volume contains the last six symphonies in the series including the lively Military Symphony No 100 the delightful Clock Symphony No 101 and the world famous London Symphony No 104 Scores included in this volume are Symphony No 99 in E flat Major Symphony No 100 in G Major Military Symphony No 101 in D Major The Clock Symphony No 102 in B flat Major Symphony No 103 in E flat Major Dumroll and Symphony No 104 in D Major London The attractive qualities of these works have made them perennial favorites with musicians and concertgoers for over two hundred years Now music lovers can study and enjoy the elegant structure and polished orchestration of these enduring masterpieces in this authoritative full score edition *Paris Symphonies Nos. 82-87 in Full Score* Joseph Haydn, 2016-06-22 Commissioned in 1786 these six symphonies were created for an extraordinarily large Paris based orchestra of both professional and amateur players Reproduced from the authoritative Breitkopf & Härtel editions

Symphonies. Nos. 66, 69, 70, 71 and 75 Franz Joseph Haydn, 1967-01-01 **Haydn and the Enlightenment** David P. Schroeder, 1997 Schroeder here sets out to challenge the widely held view of Haydn as an inspired instrumental musician who composed in isolation from 18th century enlightened thinking By means of both documentary and musical investigation the author seeks instead to present him as a culturally and politically sensitive representative of the Age of Enlightenment Haydn's awareness of contemporary aesthetic opinion and the tenets of the Enlightenment is reflected by the transformations in his own compositional style and there are fascinating implications here for our understanding of instrumental music from the second half of the eighteenth century Of fundamental importance in this survey is Haydn's relationship with his audience which it is argued had a significant bearing on the nature of the works The author suggests that Haydn was well acquainted with the contemporary view that works of literature or music should serve a moral function and he points to numerous instances in the late symphonies where this end is effectively pursued For the eighteenth century however morality did not imply dullness indeed its goals were best served through wit humour popular appeal and beauty as well as through intellectual challenge **Haydn and His World** Elaine R. Sisman, 2012-01-16 Joseph Haydn's symphonies and string quartets are staples of the concert repertory yet many aspects of this founding genius of the Viennese Classical style are only beginning to be explored From local Kapellmeister to international icon Haydn achieved success by developing a musical language aimed at both the connoisseurs and amateurs of the emerging musical public In this volume the first

collection of essays in English devoted to this composer a group of leading musicologists examines Haydn's works in relation to the aesthetic and cultural crosscurrents of his time Haydn and His World opens with an examination of the contexts of the composer's late oratorios James Webster connects the Creation with the sublime the eighteenth century term for artistic experience of overwhelming power and Leon Botstein explores the reception of Haydn's Seasons in terms of the changing views of programmatic music in the nineteenth century Essays on Haydn's instrumental music include Mary Hunter on London chamber music as models of private and public performance fortepianist Tom Beghin on rhetorical aspects of the Piano Sonata in D Major XVI 42 Mark Evan Bonds on the real meaning behind contemporary comparisons of symphonies to the Pindaric ode and Elaine R Sisman on Haydn's Shakespeare Haydn as Shakespeare and originality Finally Rebecca Green draws on primary sources to place one of Haydn's Goldoni operas at the center of the Eszterházy operatic culture of the 1770s The book also includes two extensive late eighteenth century discussions translated into English for the first time of music and musicians in Haydn's milieu as well as a fascinating reconstruction of the contents of Haydn's library which shows him fully conversant with the intellectual and artistic trends of the era

The music of Joseph Haydn, by Anthony Hodgson Anthony Hodgson, 1990 **The Symphonies of Joseph Haydn** H. C. Robbins Landon, 2003-01 *The New Grove Haydn* James Webster, Georg Feder, 2003-03-15 The son of an 18th century Austrian wheelwright Haydn is acknowledged for refining the symphony and string quartet and praised for his oratorios and masses Deeply involved in the evolution of the Classical style its subsequent growth can be seen in his own music Indeed he is considered to be one of the most significant composers of the Classical Period Under his care the symphony and string quartet came to life and the oratorios and masses of his late years belong to the consummation of the classical spirit in music This biography of Joseph Haydn is one in a new series of composer biographies derived and adapted from the second edition of The New Grove Dictionary of Music and Musicians These newly written biographies bring the best of the book length pieces in The New Grove to a wider audience Each title provides fresh new insights into the life and works of a major composer derived from the most recent scholarship In addition to a detailed and informative view of the subject's life and works written by an expert in the field each book includes comprehensive tabular work lists and a fully revised and updated bibliography
