He is wearing a dark blue shawl over a brown patterned vest and a white shirt. A traditional Indian stringed instrument, possibly a veena, is draped over his shoulder. The background is a warm-toned, textured wall. Text overlays on the left side provide production details and the release date.

The Mysteries Of Clear Light The Emerging Identity Second Trilogy:

The Mysteries of Clear Light 2 Thespian Michaels, Esmi Fernau, 2016-09-19 The Mysteries of Clear Light The Emerging Identity is the second trilogy in an open ended series Consider this what if everything you have ever been told about Spirit were incorrect that in fact there is no attainment to reach for no enlightenment to strive towards What if in your pursuit of Spiritual Truths in your zest to embody some mystical ideals you have lost the very path humanity was meant to follow At the heart of timelessness lies the wellspring from which true individuality derives You are eternally in process of becoming you are forever under construction there are no established standards on which to base your earthly life Each of you is a Cosmos in miniature whose course cannot be determined by human standards The very fact of seeking is an acknowledgment of lack whereas just being as you are is a celebration of existence itself We the authors are not anything you cannot be Neither prophets nor gurus we simply relate the story we came to tell Clearly written never didactic at times irreverent and funny eternal yet new the knowledge we share reflects the timeless love of the Entities who bring you this wisdom and gently remind you the reader of your true identity We do not teach for in truth there is nothing to learn The realizations and conclusions you reach are your own we merely present you with a different viewpoint and show you alternatives Your immortal spirit will help you make your optimal choices and direct you toward the purpose for which you incarnated Your reward is not the enlightenment you have always had it is the freedom to make full use of the powers within you

Baraban, Stephen M. Norris, 2021-02-01 The Akunin Project is the first book to study the fiction and popular history of Grigori Chkhartishvili one of the most successful writers in post Soviet Russia In the first two decades of the twenty first century Chkhartishvili published over sixty books under the pen names Anatolii Brusnikin Anna Borisova Akunin Chkhartishvili and most commonly Boris Akunin His series featuring the tsarist secret policeman Erast Fandorin has sold over 15 million books in Russia alone making Akunin one of the bestselling authors of the post Soviet era Combining intertextuality allusions pastiche and other markers of postmodern playfulness many of Akunin's works have been translated into English and have also been adapted for film and television Akunin's public profile has been further enhanced by his active involvement in mass political protests against Vladimir Putin Despite Akunin's international reputation as a celebrated writer there is very little critical work on his literary output and his mysterious persona Bringing together scholars of literature history and culture The Akunin Project fills this gap by exploring the author's bestselling adventure novels and recent histories of the Russian state The book includes translations of five short works
