Sinks Canyon Mystery R. L. Newman,2008-09-24 This simple little adventure tale was originally written as a juvenile novel in 1964 while I was a teacher in Lander Wyoming It didnt impress publishers so I put it aside and later moved to Colorado and stored the manuscript in the attic and lost track of it Decades passed but I persistently thought of rewriting my book not to sell necessarily but for my own gratification and I pondered how it could be better I found the manuscript in early 2007 read it one more time and immediately set to work The result was a complete revision a total re write other than the title the locale and the basic plot Because I was no longer hampered by trying to satisfy an editor or agent I developed a style which frequently matches the way I really think and talk Some people who know me are thinking Yeah right disorganized repetitive foolish irreverent clich ridden etc etc Anyway I was satisfied with the result If you can read through the whole thing without losing interest or throwing up then I feel that I have achieved my goal of becoming a bona fide novelist
