Goodman,2018-10-09 At age 90 Jack Smiley wasn't thrilled with the community in which he retired so he built his own Today it provides him with a net income of 40 000 each month Famously KFC's 65 year old Kentucky Colonel Harlan Sanders supplemented a paltry Social Security check by franchising his unique recipe for fried poultry Past 50 McDonald's Ray Kroc made a similar trek in multiplying by many thousands a few popular golden arched hamburger stands from San Bernardino California Contrary to popular mythology entrepreneurship is not spearheaded mostly by baby faced technology savvy postadolescents whose brands include Facebook and Apple According to a recent study fully 80 percent of all businesses are started up by people over 35 Amy Groth of Business Insider cites these reasons that fortune favors the old First older entrepreneurs have more life and work experience In some cases they have decades of industry expertise and a better understanding of what it truly takes to compete and succeed in the business world Second they also have much broader and vaster networks Even if older entrepreneurs are seeking to start businesses in entirely different industries they have deep connections from all walks of life for example a brother in law could be the perfect COO Third those over 50 have acquired more wealth and better credit histories which helps with securing loans and are smarter with their finances In this book from best selling author Gary Goodman you'll discover Supporters are everywhere Your age cohort is the wealthiest Now is the time to cash in your wisdom Overcoming false beliefs and self sabotage why the only person holding you back is you The Giraffe Syndrome why the first step is the scariest Busting age myths Nobody will work with me at my age My best years are behind me It takes money to make money and more
