lives whose paths were always smooth before One family has indisputably stood atop Eden s Glen for generations the Winthrops They run the bank invitations to their parties are the most coveted in town their favor dictates who gets into the country club and who does not But even the Winthrops are not immune to the pressures that underlie the clean calm surface of life in Eden s Glen Chafing from the quiet disappointments of twenty years of marriage leaves Preston Anne Winthrop the town s golden couple unprepared to deal with a long buried secret that bubbles up to shatter an otherwise uneventful summer of tee times and ladies lunches As husband and wife struggle to come to terms with their changed lives their teenage son s misery goes unsoothed And the events that follow reveal that even money and position cannot save their charmed world An elegant and moving novel about marriage and the price of a bourgeois American life Club Rules is powerful biting and unforgettable
