No Ordinary Angel Susan R. Garrett,2008-01-01 In this provocative intelligent and highly original addition to the Anchor Yale Bible Reference Library Susan R Garrett argues that angel talk has never been merely about angels Rather from ancient times until the present talk about angels has served as a vehicle for reflection on other fundamental life questions including the nature of God s presence and intervention in the world the existence and meaning of evil and the fate of humans after death In No Ordinary Angel Garrett examines how biblical and other ancient authors addressed such questions through their portrayals of angels She compares the ancient angel talk to popular depictions of angels today and considers how the ancient and modern portraits of angels relate to Christian claims about Jesus No Ordinary Angel offers important insights into the development of angelology the origins of Christology and popular Western spirituality ranging from fundamentalist to New Age In doing so it provokes stimulating theological reflection on key existential questions

into higher guidance and reshape your reality Decode the signs Align with your purpose Manifest your destiny **God's Gift of the Universe** Paul O'Callaghan,2022-01-17 There are many ways of understanding the reality of the world we live in and experience Science philosophy art all offer us ample descriptions explanations and intuitions But Christian believers go beyond all that for they attempt to understand the origins of the universe in terms of the creation of the world by God Revelation tells us what God had in mind when he made the world ex nihilo without presuppositions of any kind God s Gift of the Universe attempts to present the principal elements and stages of creation theology The doctrine is to be found fundamentally of course in Scripture both Old and New Testament which describes the world in the light of God s word Yet since God actually gave existence to the world down to the last detail our reflection on God s word not only explains the reality of creation how it works its nature as science does It also explains how creation came into being in the mind and heart of the Triune God and ultimately why God created the world In God s Gift of the Universe a considerable effort has been spent throughout the book on the Christological and Trinitarian aspects of creation particularly in the theology of Church Fathers Creation is presented besides in a deeply eschatological key for God created the world for purpose of making his glory eternally manifest The book also considers the way God intervenes in the life of the created world through conservation in being and providence The meaning of time matter and spirit are considered The need for ecological awareness is central One aspect of the mystery of creation that receives special attention is the presence of evil in the world This is of particular importance once we accept that God made the world whole and entire thus assuming responsibility for the world as it is The origin of evil through the sin of spiritual creatures provides the ultimate though not the only explanation of the mystery of evil Particular consideration is given to the reality of original sin **The Quarterly Journal of Prophecy** ,1853 **Journal of the American Oriental Society** Edward E.
