## **Speaking My Mind:**

Speaking My Mind Dorit Bar-On, 2004-11-18 Dorit Bar-On develops and defends a novel view of avowals and self-knowledge. Drawing on resources from the philosophy of language, the theory of action, epistemology, and the philosophy of mind, she offers original and systematic answers to many long-standing questions concerning our ability to know our own minds. We are all very good at telling what states of mind we are in at a given moment. When it comes to our own present states of mind, what we say goes: an avowal such as "I'm feeling so anxious" or "I'm thinking about my next trip to Paris" is typically supposed to tell it like it is. But why is that? Why should what I say about my present mental states carry so much more weight than what others say about them? Why should avowals be more immune to criticism and correction than other claims we make? And if avowals are not based on any evidence or observation, how could they possibly express our knowledge of our own present mental states? Bar-On proposes a Neo-Expressivist view according to which an avowal is an act through which a person directly expresses rather than merely reports the very mental condition that the avowal ascribes. She argues that this expressivist idea, coupled with an adequate characterization of expression and a proper separation of the semantics of avowals from their pragmatics and epistemology, explains the special status we assign to avowals. As against many expressivists and their critics, she maintains that such an expressivist explanation is consistent with a non-deflationary view of self-knowledge and a robust realism about mental states. The view that emerges preserves many insights of the most prominent contributors to the subject while offering a new perspective on our special relationship to our own minds.

**Speaking My Mind** Tony Campolo, 2005-03-30 Fifteen years ago Tony Campolo's *20 Hot Potatoes That Christians Are Afraid to Touch* pushed, pulled, and prodded Christians into serious consideration of controversial but critical issues related to the Christian life. Campolo challenged his more than 150,000 readers to re-think their convictions and prejudices and to do something about them. Dubbed by Christianity Today as the positive prophet and a ferocious critic of Christians left and right, Campolo lives up to his reputation in this latest book, examining some of today's toughest questions and issues: Is evangelical Christianity anti-feminist? Is our affluent lifestyle at odds with our faith? Is America really in moral decline? Is Islam really an evil religion? Should Christian parents pull their kids out of public schools? Was the war with Iraq a just war? *Speaking My Mind* Tony Campolo at his best.

*Speaking My Mind* Leo Varadkar, 2025-09-11 Leo Varadkar shares his fascinating experience as Irish prime minister at a time of much change and turbulence in this remarkably honest memoir. Leo Varadkar was an unlikely Taoiseach: the youngest on taking office in 2017, the first Taoiseach to be gay, and the first person of colour to be Taoiseach. Equally unlikely was his decision to bow out of politics in his mid-forties. Now liberated from the constraints of office, he tells his fascinating story with characteristic courage and candour and provides a unique insight into the formation and evolution of a senior politician. In *Speaking My Mind*, Leo Varadkar shares his pride in helping to bring about transformational changes such as marriage equality. He describes experiences that only a prime minister could have, speaking

frankly to Pope Francis on the legacy of church abuses connecting with Barack Obama about both being the tall dark guy with the funny name navigating challenges such as the pandemic and the fallout from Brexit And he writes honestly about the costs that go with the immense privilege of holding high office Speaking My Mind is a revealing intimate and important memoir from a singular public figure Brings to life some of the behind the scenes moments of what has been a transformative period in Irish and global politics Mary Regan Sunday Independent A lively and easy read and can help in future examinations of a very fast changing Ireland John Downing Irish Independent
