

A Prayer for Special Intentions

Almighty and loving Father,
I thank you for giving St. Gerard to us
as a most appealing
model and powerful friend.
By his example, he showed us how to
love and trust You. You have
showered many blessings on
those who call upon him.
For Your greater glory and my welfare,
please grant me the favours
which I ask in his name.

(Mention your needs here...)

And you, my powerful patron,
intercede for me before the throne of
God. Draw near to that throne
and do not leave it until you have been
heard. O good saint,
to you I address my fervent prayers;
graciously accept them and let me
experience in some way the effects of
your powerful intercession.

Amen.

Special Intentions:

Special Intentions Claire Coleman, 2011-10-10 Advance praise for Special Intentions Special Intentions reminds us of the importance of not simply praying for what we need but for what others need Jesus taught us to ask God for our daily bread but he also asked us to love one another Commending our friends and families and co workers neighbors acquaintances and even those who bother us to the care of God is a key aspect of that love and an important element of the Christian tradition Claire Coleman's sensitive new work will help readers to more fully enter into this rich stream of the spiritual life James Martin S J author of *My Life with the Saints* If you've ever offered up a simple God help him at the sight of someone less fortunate then this book will resonate with your innate sense that prayers have power Claire Coleman offers a graceful easy way to benefit others with her beautifully written portraits of those in need Take her advice say a prayer for a stranger and make the world a better place Patricia Sheridan Assistant Editor Features Pittsburgh Post Gazette While Special Intentions is a beautiful meditative book for the person alone in prayer before God it likely also will be an inspiration for those in prayer groups and friends who come together to talk about their life's journeys Dianne M Traflet J D S T D Associate Dean Immaculate Conception Seminary School of Theology Seton Hall University Prayer is a personal experience but sometimes we need a little reminder Claire Coleman's Special Intentions is the perfect book to keep close at hand and close to the heart to reference to inspire and to share with others Amelia Grey author of twenty three books The listings of special intentions are so global and yet personal so ordinary and yet profound Sr Joan Noreen OLME co founder and director of Our Lady's Missionaries of the Eucharist Host Eucharistic Journey Eternal World Television EWT Network Ms Coleman reminds us that every one of us is for very different reasons in need of prayers Her ability to lead us to pray for someone we suddenly notice think about and then care about someone who we don't even know is truly a gift Dr Sharon Latchaw Hirsh president Rosemont College Rosemont Pennsylvania **Annals of Saint Joseph**, 1907 **Messenger of the Most Precious Blood**, 1920 *The Dharma's Gatekeepers* Jonathan C. Gold, 2008-06-05 The Dharma's Gatekeepers offers an incisive analysis of one of the most important works in Tibetan Buddhist intellectual history Sakya Pa ita's Gateway to Learning Mkhas pa jug pa i sgo Writing in a time when a distinctively Tibetan tradition of Buddhism was first emerging Sakya Pa ita wanted to present Tibetan intellectuals with what he took to be an authentically Indian and therefore authentically Buddhist understanding of the nature and tasks of intellectual life with a view of how scholarship was understood and practiced in the great monastic colleges of India In *The Dharma's Gatekeepers* we see Sakya Pa ita building the intellectual foundation for Tibetan scholasticism through a series of subtle brilliant and quintessentially Buddhist arguments about the nature of learning itself with his elaboration of a model of scholastic education skillfully drawing together ideas in Buddhist epistemology philosophy of language translation theory hermeneutics and literary theory In this study of Sakya Pa ita's remarkable work Jonathan C Gold shows that the Gateway to Learning addresses issues that remain of

concern to contemporary intellectuals this thirteenth century work has much to contribute to our understanding of such issues as translation and translatability theories of reading and authorship the connections between religious values and academic institutions and theories of language and literary aesthetics The book includes a translation of significant parts of Sakya Pa ita s text Intentions for mass & holy communion, for every day in the year, by the author of 'St. Francis and the Franciscans'.
