Speech And Man:

How To Make a Brilliant Best Man's Speech Phillip Khan-Panni, 2017-03-30 How to make a great best man's speech and a guide to being a great best man In this book Phillip Khan Panni uses his expertise as a champion professional speaker to help the best man with the terrifying prospect of writing and delivering The Speech He guides you on the vital preparation of your speech and tells you how to use stories jokes and quotations that will lift it well above the bare necessities With the author's help and his professional tips and techniques you will be able to make a really entertaining and moving speech that will be remembered for a long time to come You might even enjoy making it as much as the guests do hearing it There are also checklists and further advice to help you organise the whole occasion so that the big day honours the groom and his bride and thoroughly impresses their friends and relations

The Concept of Woman Prudence Allen, 1997 The culmination of a lifetime's scholarly work this pioneering study by Sister Prudence Allen traces the concept of woman in relation to man in Western thought from ancient times to the present Volume I uncovers four general categories of questions asked by philosophers for two thousand years These are the categories of opposites of generation of wisdom and of virtue Sister Prudence Allen traces several recurring strands of sexual and gender identity within this period Ultimately she shows the paradoxical influence of Aristotle on the question of woman and on a philosophical understanding of sexual complementarity Supplemented throughout with helpful charts diagrams and illustrations this volume will be an important resource for scholars and students in the fields of women's studies philosophy history theology literary studies and political science In Volume 2 Sister Prudence Allen explores claims about sex and gender identity in the works of over fifty philosophers both men and women in the late medieval and early Renaissance periods Touching on the thought of every philosopher who considered sex or gender identity between A D 1250 and 1500 The Concept of Woman provides the analytical categories necessary for situating contemporary discussion of women in relation to men Adding to the accessibility of this fine discussion are informative illustrations helpful summary charts and extracts of original source material some not previously available in English In her third and final volume Allen covers the years 1500-2015 continuing her chronological approach to individual authors and also offering systematic arguments to defend certain philosophical positions over against others

Unmanly Men Brittany E. Wilson, 2015 New Testament scholars typically assume that the men who pervade the pages of Luke's two volumes are models of an implied manliness Scholars rarely question how Lukan men measure up to ancient masculine mores even though masculinity is increasingly becoming a topic of inquiry in the field of New Testament and its related disciplines Drawing especially from gender critical work in classics Brittany Wilson addresses this lacuna by examining key male characters in Luke Acts in relation to constructions of masculinity in the Greco-Roman world Of all Luke's male characters Wilson maintains that four in particular problematize elite masculine norms namely Zechariah the father of John the Baptist the Ethiopian eunuch Paul and above all Jesus She further explains that these men do not protect their

bodily boundaries nor do they embody corporeal control two interrelated male gender norms Indeed Zechariah loses his ability to speak the Ethiopian eunuch is castrated Paul loses his ability to see and Jesus is put to death on the cross With these bodily violations Wilson argues Luke points to the all powerful nature of God and in the process reconfigures or refigures men s own claims to power Luke however not only refigures the so called prerogative of male power but he refigures the parameters of power itself According to Luke God provides an alternative construal of power in the figure of Jesus and thus redefines what it means to be masculine Thus for Luke real men look manifestly unmanly Wilson s findings in *Unmanly Men* will shatter long held assumptions in scholarly circles and beyond about gendered interpretations of the New Testament and how they can be used to understand the roles of the Bible s key characters

Best Man's Duties Chris Akerman, 2014-03-20 Being asked to be a best man is a great honour but there s the terrifying prospect of giving the speech There s the stag party to organise but where do you start Then there are all those other duties not to mention the general support you ll need to give the groom Pretty soon you may be feeling a bit overwhelmed and start to wonder how you can get out of it Well I m afraid that s generally not an option as in this case the groom is like Don Corleone in the Godfather he has made you an offer you can t refuse This book will help you rise to the challenge Written in an informal and lively style it guides you through all your duties from comprehensively exploring the options for the stag party to ensuring you are fully prepared to deliver a great speech on the day to help with this the book includes 10 original entertaining and inventive sample speeches Its detailed guidance should ensure that anyone chosen to be best man will be able to fulfil the role with confidence and in doing so really enjoy the experience
