Encyclopedia of Women in Today's World Mary Zeiss Stange, Carol K. Oyster, Jane E. Sloan, 2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world Praying and Preying Aparecida Vilaca, 2016-03-29 Praying and Preying offers one of the rare anthropological monographs on the Christian experience of contemporary Amazonian indigenous peoples based on an ethnographic study of the relationship between the Wari inhabitants of Brazilian Amazonia and the Evangelical missionaries of the New Tribes Mission Vila turns to a vast range of historical ethnographic and mythological material related to both the Wari and missionaries perspectives and the author's own ethnographic field notes from her more than 30 year involvement with the Wari community Developing a close dialogue between the Melanesian literature which informs much of the recent work in the Anthropology of Christianity and the concepts and theories deriving from Amazonian ethnology in particular the notions of openness to the other unstable dualism and perspectivism the author provides a fine grained analysis of the equivocations and paradoxes that underlie the translation processes performed by the different agents involved and their implications for the transformation of the native notion of personhood **Today's Health Guide** , 1965 The Quarterly Journal of Public Speaking , 1917 *Report of the Proceedings of the ... right now to act more consciously by recognizing the concrete nature of morality and the real consequences of our present lives The introduction and comprehensive afterword by Paul Margulies explain and contextualize Steiner's text revealing a message that is more vital and relevant than ever in our frenzied materialistic times This book can help us experience more meaning in life and become more at home as spiritual citizens of the universe Read Bobby Matherne's review of this book
