The Golden Madness: writings from the Queensland Gold Rush James Moylan, 2015-03-09 This volume contains a small selection of my favorite writings relating to the gold rush period in Queensland I hope to provide the reader with a glimpse of the everyday topics and events that were of interest to the pioneer miners in the north of Australia By largely avoiding sterile historical accounts in favor of primary texts in which personal opinions and first person observations are unselfconsciously expressed I endeavor to provide a sense of the social complexities of this era The common sense of this period is not our common sense Many of the sentiments and prejudices expressed are jarring to a modern sensibility Racist attitudes are unambiguously expressed Empire is a stolid reality Women are inferior to men The great chain of being provides an all encompassing teleology by which all things under heaven might be ordered Please enjoy a journey to the strangest land of them all the past James Moylan Researcher Author *Proceedings and Transactions of the Queensland Branch of the Geographical Society of Australasia* ,1886 [100 Things To See In Tropical North Queensland](#) Catherine Lawson, David Bristow, 2020-07-04 100 Things To See In Tropical North Queensland is a guide to the best of the far north and Great Barrier Reef according to people who live there This remarkable part of Australia is home to the oldest rainforest on earth the world s largest living organism and three world heritage sites and that s just the beginning In this guide author and travel journalist Catherine Lawson along with partner and photographer David Bristow take anyone wanting to explore TNQ like a local into the places off the regular tourist trails Both have spent more than 20 years travelling their backyard by foot 4WD train bike and even in their sailing yacht Storyteller Inside you ll find 100 of the best places and things to see and do at the top of Queensland from dream like swimming holes to undisturbed rock art galleries and outback adventures you ll never forget **The Queensland Industrial Gazette** Queensland. Dept. of Labour, 1926 **Queensland Motoring Dawn** Richard McDonough, 2015-03-01 Ever given a second thought to fuelling up at almost any street corner or buying your spare parts from a myriad of local suppliers Perhaps you ve been known to curse the state of our roads and the ever rising costs of running a car Even questioning what the authorities are doing about it Well spare a thought for those who started this motoring madness over a century ago Their lot was to overcome prevailing social and bureaucratic prejudices and that was before they even ventured out in their primitive vehicles to do battle with the rough tracks that were optimistically called roads In a state as large as Queensland it was inevitable that the motor car would take hold despite the naysayers This is the story of how it all started from the first sighting of a self propelled vehicle on a Brisbane street to the high adventure of cross country motoring in outback Queensland and even the odd interstate trip to the deep south These individuals were trail blazers in its truest sense Our forebears had the vision and gumption to see it through and you will be amazed at what they went through So get comfortable buckle up and enjoy the ride [The History and Adventures of a Queensland Pioneer](#) Edgar Foreman, 1928 [Proceedings of the Queensland Branch of the Geographical Society of Australasia](#) Royal
