Teachers who have limited class time to devote to spelling will welcome the Spellwell program. Its organization provides for daily practice at home with class time used for pretests, self-correction, weekly tests, and in some lessons, group games. Spellwell also helps increase students' writing facility with writing exercises that ask them to incorporate several of the spelling words they have learned. The Teacher's Guide and Answer Key for Spellwell C and CC provides an overview and rationale of the series, key concepts essential to the program, an answer key, and suggestions for optional classroom words and exercises.      **Teacher's Guide & Answer Key (Time to Read and Write)** Susannah Reed, 2004-01-01      *Spellwell*
