Spensers Shepheardes Calendar A Study In:

Spenser's Shepheardes Calender Paul E. McLane, 1961 Political allegory Religious allegory Personal allegory poets and scholars Problems relating to the allegory A Critical Companion to Spenser Studies Bart Van Es, 2005-11-30 This book provides an authoritative guide to debate on Elizabethan England's poet laureate It covers key topics and provides histories for all of the primary texts Some of today's most prominent Spenser scholars offer accounts of debates on the poet from the Renaissance to the present day Essential for those producing new research on Spenser *The Cambridge Companion to Spenser* Andrew Hadfield, 2001-06-18 The Cambridge Companion to Spenser provides an introduction to Spenser that is at once accessible and rigorous Fourteen specially commissioned essays by leading scholars bring together the best recent writing on the work of the most important non-dramatic Renaissance poet The contributions provide all the essential information required to appreciate and understand Spenser's rewarding and challenging work The Companion guides the reader through Spenser's poetry and prose and provides extensive commentary on his life the historical and religious context in which he wrote his wide reading in Classical European and English poetry his sexual politics and use of language Emphasis is placed on Spenser's relationship to his native England and to Ireland where he lived for most of his adult life as well as the myriad of intellectual contexts which inform his writing A chronology and further reading lists make this volume indispensable for any student of Spenser **Subjects on the World's Stage** David G. Allen, Robert A. White, 1995-06 In this collection eighteen scholars offer various readings on British literature of the Middle Ages and the Renaissance Although the period covered ranges from the thirteenth through the seventeenth centuries the essays are tied together by a common interest in one of three topics poetic personae dramatic production and the influence of social context upon authors or dramatists Common to these topics is the crucial point of contact between an artist and society that prompts the literary imagination to respond either with the creation of a new character or with the demonstration of change in an old one BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved A study of Edmund Spenser's "Shepheardes calender". Velma Fears, 1935 **The New Cambridge Bibliography of English Literature: Volume 1, 600-1660** George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Time and the Calendar in Edmund Spenser's Poetical Works** Emilien Mohsen, 2005 **The Yale Edition of the Shorter Poems of Edmund Spenser** Edmund Spenser, William A. Oram, 1989-01-01 The first comprehensive collection of the shorter poems

since the Variorum minor poems of the 40s Cloth edition 55 not seen by R R Annotation copyright Book News Inc Portland Or

Spenser's Afterlife from Shakespeare to Milton Jennifer C. Vaught, 2025-10-01 This study explores how Shakespeare Ben Jonson Andrew Marvell and Milton among many others appropriated Spenser's long and shorter poems for creating comedy parody and satire Their appropriations which were widely influential on communities of readers writers and intertextual networks from 1590 1660 left an abiding impression of Spenser as a biting satirist Spenser's Afterlife from Shakespeare to Milton The Faerie Queene as Intertextual Environment is the first study to combine the reception history of The Faerie Queene with ecocriticism animal studies and posthumanist tenets of vital materialism and the power of things This poem functions as a powerful nonhuman agent that transforms how readers respond to their environments The Faerie Queene and its afterlives move readers to perceive flaws in political social and religious figureheads and institutions to envision better ones *Spenser in the Moment* Paul J. Hecht, J. B. Lethbridge, 2015-11-05 Spenser in the Moment collects specially commissioned essays critical of established readings each of which in surveying the state of the art attempts radically to unsettle our conception of the poetry of Edmund Spenser 1552 1599 The editors were drawn together by a shared restlessness with the canonical Spenser and a sense that attention especially to Spenser's musical qualities and the distinctiveness of his poetic style compared with that of his contemporaries could display exciting new paths forward Scholars from three continents contribute bracing reviews of Spenser's relationship with his classical sources with religious history and the history of the book Two essays consider Spenser and music both music in Spenser's works and Spenser's works in the music of his time Two working poets inaugurate the final group of essays on Spenser's poetry with original irreverent poetry reflecting and riffing on Spenser The essays argue for various versions of revolution one mixing aesthetics and sex another diagnosing widespread fallacies expressivist and dramatistic made in reading Spenser and the last arguing for a Spenser not of enormous interlocking networks but of the moment that the primary Spenserian structure is that of a moment of stillness in motion With so much change behind us already in this young century another series of changes emerges from recent work and a sense of expectation as of held breath seems to pervade the discipline that is the moment that this volume attempts to capture and nourish

Fuel your quest for knowledge with Learn from is thought-provoking masterpiece, **Spensers Shepheardes Calendar A Study In** .
