Stumbling Toward God Margaret D. McGee, 2002 *Stumbling Toward God* traces a woman's spiritual search with an unusual twist from a self-proclaimed atheist who prays to unorthodox membership in two radically different churches the Unitarian and Episcopal This book is an honest satisfying read for anyone questioning or seeking a spiritual path A reading group guide is also included

Stumbling toward Wholeness Andrew J Bauman, 2018 We desire to be transformed to grow more and more like Christ But for many of us our strategies for change don't work We misperceive God as a judgmental Father leaving us demoralized and paralyzed by shame *Stumbling toward Wholeness* offers a new strategy for spiritual growth and life transformation regularly returning to the arms of a kind and loving Father There are many books that explore the parable of the Prodigal Son but few approach it with the personal vulnerability and psychological insight of Andrew Bauman Andrew shows how taking the time to identify with each of the brothers in this story can help us come to terms with our own brokenness and the need for God revealed in it We discover a process of change that applies to each of us and a healing journey that moves us toward the likeness of the Father in how we love the people around us and address the pain others have caused us

**The Heartbeat of God** Katharine Jefferts Schori, 2010-10 Insights from a pioneering leader in world religion on the intersections of the sacred the secular As Christians indeed as people of faith of any tradition we are called to tend to the needs of the least among us Our response to them must be the response of faith God gives us a new heart to do this work and every time we gather to do it God offers a pacemaker jolt to tweak our heart's rhythm The challenge is this will our hearts respond with a strengthened beat in tune with God's own heartbeat sending more life out into the world from the Introduction Explore our connections as human beings with each other as one nation with all other nations as the human species with the whole of our environment through the lens of faith Katharine Jefferts Schori presiding bishop of The Episcopal Church examines these connections as she looks at the intersections of faith with the major issues of our day How does faith speak to poverty climate change the economy health care and what is the faith response How can believers from many faith traditions find common ground while honoring the Divine serving one another and creating deeper community How do we best use the resources of faith to connect us to the hearts of our neighbors and to the heart of God

devotions will guide you on your daily journey      *Godward / The Prodigal Steps* Larry D. McClure, 2022-11-18 Godward The Prodigal Steps Spiritual Wisdom and Understanding Blessed is the one who finds wisdom and the one who gets understanding Proverbs 3 13 By Larry D McClure From a young age Larry D McClure s life was rife with tragedy following the deaths of his cousins neighbor father and twin brother This series of unfortunate events set him on a course to find answers as to why his life was filled with so much pain Godward The Prodigal Steps compiles the answers Mr McClure found to this burning question over a 40 year period Though originally not intended to be published after many years of research and study Mr McClure came to realize that others could benefit from this powerful and lifechanging experience Using the Bible as the foundation for his research Mr McClure draws upon other sources such as the readings of Edgar Cayce the Gospel of Thomas The Law of One The Ra Material and the Unity Metaphysical Bible Dictionary delving deeper into the how and why things happen in our lives      **When You Love a Prodigal** Judy Douglass, 2019-09-17 Loving a prodigal is a long and desperate journey filled with fear worry anger self recrimination You wait for the phone call will it be from jail or the hospital You plead with your loved one You search for help You feel the shame You cry out to God How long Lord Author Judy Douglass knows these lovers of prodigals well She is one herself and has created a large and growing community with others When You Love a Prodigal is a collection of 90 essays 90 days of perspective on what God offers to you as you love your prodigal At the end of each brief essay response questions will help you process how God intends to use the wilderness journey to mold your spiritual life You can work through it day by day or you can read it straight through Judy has traveled this road with her own prodigal reading learning praying and seeking God Over and over he continued to give her wisdom he sustained her he covered her with grace and he filled her with hope May you too be strengthened and filled with hope as together you discover how God will take you through your own valley      The Prodigal Daughter Margaret Gibson, 2013-06-19 The 1950s and 1960s were years of shifting values and social changes that did not sit well with many citizens of Richmond Virginia and in particular with one conservative family a staunchly southern mother and father and their two daughters A powerful evocation of time and place this memoir a gifted poet s first book of prose is the story of an inquisitive and sensitive young woman s coming of age and a deeply moving recounting of her reconciliation later in life with the family she left behind Returning us to a Cold War world marked by divisions of race gender wealth and class The Prodigal Daughter is an exploration of difference the powerful wedge that separates individuals within a social milieu and within a family Echoing the biblical Prodigal Son Margaret Gibson s memoir is less concerned with the years of excess away from home than with the seeds of division sown in this family s early years Hers is the story of a mother proud to be a Lady a Southerner and a Christian of two daughters trapped by their mother s power and of their father s breakdown under social and family expectations Slow to rebel young Margaret finally flees the world of manners and custom which she deems poor substitutes for right thought and right action in the face of the Civil Rights movement and the Vietnam War and abandons her

fundamentalist upbringing In a defiant gesture that proves prophetic she once signed a postcard home The Prodigal After years of being the distant absent daughter she finds herself returning home to meet the needs of her stroke crippled younger sister and her incapacitated parents In this tale of homecoming and forgiveness death and dying Gibson recounts how she overcame her long indifference to a sister she had thought different from herself recognizing the strengths of the bonds that both hold us and set us free Interweaving astute social observations on social pressures race relations sibling rivalry adolescent angst and more The Prodigal Daughter is a startlingly honest portrayal of one family in one southern city and the story of all too many families across America **Classic Pentecostal Sermon Library Vol 2** Ray H. Hughes,2011

*Hanging on for Dear Life* Olivia Kay Knowles,2018-04-11 There s nothing exciting about being forced into the fraternity of hurting parents but once there the question becomes one of survival for you your young adult offspring your family and the relationships you all share How do you deal with the issues and heartache that accompany the drama And if you re a Christian how do you reconcile your understanding of who God is with the situation in which you find yourself For most parents understandably the question becomes How can I get through to my son daughter But the question that really needs to be asked may be How can I get a grip on myself so I don t do things that make matters worse This book is a toolkit filled little by little one tool one difficulty at a time With these tools the Lord Jesus Christ upheld me firmly but tenderly showed me options that lay before me and helped me navigate giving me fresh perspective in the midst of heart wrenching challenges I shudder to think how I might have responded absent His help Amazingly often unbeknown to me at the same time the Lord was helping me He was wonderfully at work in the lives of our young adult children and our family as a whole My toolkit is something I wish I d never needed but over time it has become a treasure for which I am deeply grateful I humbly share my treasure with you **The Family Treasury of Sunday Reading** Andrew Cameron,2021-11-05 Reprint of the original first published in 1867 The Family treasury of Sunday reading, ed. by A. Cameron (W. Arnot). [Continued as] The Christian monthly and family treasury rev Andrew Cameron,1867 Moody's Addresses Dwight L. Moody,2025-03-01 Where am I Who am I Where am I going I think it is good for a man to pause and ask himself these questions I do not ask you where you are in the eyes of your family friends or the community in which you live It is of very little account what men think of us but it is of vast importance what God thinks of us Am I in communion with my Creator or out of communion If I am out of communion there is no true peace joy or happiness But when we are in communion with God there is light all around our path You may think that your life is hidden that God does not know anything about you but He knows our lives much better than we do and His eye has been fixed on us from our earliest childhood until now I have heard of many people who think that if they join a church and make a profession of faith that will suffice for the rest of their days But there is also a cross for every one of us daily O child of God where are you If God were to appear to you tonight and ask the question Where are you what would your answer be Could you say Lord I am serving You with my whole heart and strength I am improving my

talents and preparing for the kingdom to come      Words of a Prodigal Pamela Tutt, James E. Smith, 2021-11-19 The motivation behind Words of a Prodigal I didn't set out to write a book writing was therapy for me My life of an incarcerated person is very difficult not only on the person but on the family as well All I can do here is think about everything I have done was wrong and ask God to forgive me for my sins I began to write about a piece on Restoration That God indeed is a God of Restoration So I put the issues down on paper as I was doing so God gave me a solution from his Holy word Jeremiah chapter 29 11 It will be able to help others and future the gospel so naturally I was going to be obedient After years of so much promise I didn't want to return to a life of disobedient that I was suffering from addiction I have done well and I'm not going back to life that made me ashamed Thank God for forgiveness and mercy through my repentance I related so much to the prodigal son in which would have never come to fruition      The Prodigal System of Forgiveness and Reconciliation J. Emmett Beam, 2009-04 In today's world relationships and lives are destroyed by conflict greed deception betrayal abandonment abuse and other cruel acts of violence Stories of Ponzi schemes unethical financial dealings infidelity gang violence and terrorism are common place in the news Such acts result in financial ruin divorce physical pain emotional trauma and even death of loved ones Our first instinct is to pay back evil for evil and take our own revenge Yet is that the best course This book explores and examines some tough questions including Is it possible to recover from the loss grief and trauma resulting from an injustice Will post traumatic stress plague a victim of violence forever How can relationships be restored after betrayal or adultery Is it possible to forgive someone who has cruelly or violently injured us Can we actually love our enemies as instructed in the Bible Can we get forgiveness from God after committing violence infidelity or murder Is there a key to personal healing no matter what someone has experienced The good news is there is a key to personal healing and a way to recover from the losses grief and traumas of life And it's called forgiveness The Parable System of Forgiveness and Reconciliation provides a practical proven method of forgiving anyone for any type of injustice It also describes how to restore and reconcile broken relationships This invaluable resource will help you do one of the hardest things you'll ever do for your own personal healing forgive someone who has betrayed abused violated or committed a violent offense against you or a loved one      *The Publishers Weekly*, 2002      *Two Sermons preached ... in St. Paul's, Durban ...
