Stupid Marco:

Stupid Marco Jay Williams, 1967 *The Pizzutos* Franco La Monica, 2019-08-29 This book is a semibiographical novel of the Pizzutos a unique and funny couple from Mamaroneck New York It recalls their lives and how close they always were in physical proximity from each other until destiny united them in 1980 They side swiped each other at the fork of destiny's road and fused into the Pizzutos Hysterically comical in parts this book evolves into many separate recollections of what actually happened to them since they moved into the home that they resided in for the last thirty years As destiny would have it they were childless The two cats in this book can be found buried in the backyard alongside another cat called Goldie and other pets including goldfish and other critters All the names have been changed but all their relatives know who they are Lots of laughs This book is basically a sequel to the author's last novel called Little Jimmy Anyhow it has all the flavors of very odd situational comedy embedded in nonconventional spirituality In addition it reveals how destiny has its way with us all Read it by candlelight preferably on a rocking chair in front of a lit fireplace If one does not have a fireplace they can tuck themselves in bed read themselves to sleep and begin to dream dreams just like the Pizzutos did If one likes to laugh and still enjoys a good easy read this novel contains both qualities **Liberation** Brian Francis Slattery, 2008-10-14 From the author of the literary pulp phenomenon Spaceman Blues comes a future history cautionary tale a heist movie in the style of a hippie novel Liberation is a speculation on life in near future America after the country suffers an economic cataclysm that leads to the resurgence of ghosts of its past such as the human slave trade Our heroes are the Slick Six a group of international criminals who set out to alleviate the worst of these conditions and put America on the road to recovery Liberation is a story about living down the past personally and nationally about being able to laugh at the punch line to the long dark joke of American history Slattery's prose moves seamlessly between present and past action and memory With Liberation he celebrates the resilience and ingenuity of the American spirit At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *Italian Grotesque Theater* Michael Vena, 2001-07 Michael Vena highlights here some of the significant innovations of these grotteschi both in terms of ideas and in the relationship between author actor and the public thereby suggesting that the time is ripe for a systematic reassessment of these and other voices of that brief but significant movement widely acclaimed then certainly underestimated now and perhaps all along misunderstood
