Subjective Truth:

A Search for Truth Ernest J. Honigmann, 2016-08-03 The genesis of this book was in 1957 when the author was rejected from a loving courtship because he did not believe in the existence of God To quell the pain and to understand what had happened to him he researched the evidence as to why people believe that God exists The result was this book a predominance of evidence in favor of atheism Further the author found that truth should always be held provisionally not permanently pending discovery of new evidence and insights For example the author's atheism is provisional His search also brought a tough new world If God does not exist we need new concepts for the meaning of life the basis of morality and our unalienable Rights to Life Liberty and the pursuit of Happiness This book offers his solutions to those problems And one more thing The author's recommendation in his final chapter for a new way to search for religious truth forms the most exciting part of this book and possibly the most prophetic Now in 2016 50 years after it had been offered to the world and rejected by the publishers as a threat to their own interests our society has come of age And this book with its eye opening freshness still intact is finally yours to learn from and to enjoy

The Nature of Biblical Criticism John Barton, 2007-01-01 Biblical criticism faces increasing hostility on two fronts from biblical conservatives who claim it is inherently positivistic and religiously skeptical and from postmodernists who see it as driven by the falsities of objectivity and neutrality In this magisterial overview of the key factors and developments in biblical studies John Barton demonstrates that these evaluations of biblical criticism fail to do justice to the work that has been done by critical scholars over many generations Traditional biblical criticism has had as its central concern a semantic interest a desire to establish the plain sense of the biblical text which in itself requires sensitivity to many literary aspects of texts Therefore he argues biblical criticism already includes many of the methodological approaches now being recommended as alternatives to it and further the agenda of biblical studies is far less fragmented than often thought

The Philosophy of John Norris W. J. Mander, 2008-06-26 Best known today as one of the earliest critics of John Locke John Norris 1657 1711 incorporated ideas of Augustine Malebranche Plato the Cambridge Platonists and the scholastics into an original synthesis that was highly influential on the philosophy and theology of his day W J Mander presents a much needed study of this unjustly neglected thinker and the different perspectives he offers on this seminal period in philosophical history

Transmediations Niklas Salmose, Lars Elleström, 2019-11-22 This collection offers a multi faceted exploration of transmediations the processes of transfer and transformation that occur when communicative acts in one medium are mediated again through another While previous research has explored these processes from a broader perspective Salmose and Elleström argue that a better understanding is needed of the extent to which the outcomes of communicative acts are modified when transferred across multimodal media in order to foster a better understanding of communication more generally Using this imperative as a point of departure the book details a variety of transmediations viewed through four different lenses The first part of the volume looks at narrative transmediations building on existing work done by Marie Laure

Ryan on transmedia storytelling The second section focuses on the spatial dynamics involved in media transformation as well as the role of the human body as a perceptive agent and a medium in its own right The third part investigates new radical boundaries and media types in transmediality and hence shows its versatility as a method of analyzing complex and contemporary communicative discourses The fourth and final part explores the challenges involved in transmediating scientific data into the narrative format in the context of environmental issues Taken together these sections highlight a range of case studies of transmediations and in turn the complexity and variety of the process informed by the methodologies of the different disciplines to which they belong This innovative volume will be of particular interest to students and scholars in multimodality communication intermediality semiotics and adaptation studies

The God of Metaphysics T. L. S.

Sprigge, 2006-04-20 Can philosophy offer reasonable grounds for the existence of a God or Absolute possessing genuine even if not orthodox religious significance and not proposed simply as the solution to a purely intellectual philosophical problem Certainly many contemporary thinkers have insisted that no genuine religion could be based upon metaphysics In this book however T L S Sprigge examines sympathetically the most notable metaphysical systems of the last four centuries which purport to put religion on a rational footing and after a thorough examination of their claims considers what kind of religious outlook they might support and more briefly how they actually affected the lives of their proponents The thinkers studied include Spinoza Hegel T H Green Bernard Bosanquet together with a brief discussion of Bradley Josiah Royce A N Whitehead and Charles Hartshorne concluding with an exposition of the author's own viewpoint pantheistic absolute idealism and a general discussion on the relation between metaphysics and religion There is also a chapter on Kierkegaard as the most important critic of metaphysical religion

Reasons of One's Own Marc Slors, 2017-11-28

Practical reasoning in contemporary Western societies is characterised by an unprecedented degree of idiosyncrasy and demands of personal authenticity This has resulted from the decline of traditional moral authorities the rise of individualistic lifestyles increasing multiculturalism and rapid technological advance These developments have given rise to reflection on the notion of reasons of one's own an examination of the intelligibility of reasons that are closely connected to a particular agent and recognised as such by others although not shared by them Problems addressed by the contributors include How to account for the cognitive overtones in moral and motivational language given the apparent agent relativity of reasons How to retain the agent relativity of reasons for action given that they require articulation through a language shared by the community and how to account for the practical rationality required for co-operation between persons in view of the idiosyncrasy of a person's motivating reasons In dealing with these issues this book presents a range of investigative essays on the concept of reasons of one's own by leading authors from all relevant philosophical areas of expertise

Writing Madness, Writing Normalcy

Lisa Spieker, 2021-05-26 What does it mean to be mad in contemporary American society How do we categorize people's reactions to extreme pressures trauma loneliness and serious mental illness Importantly who gets to determine these

classifications and why This book seeks to answer these questions through studying an increasingly popular media genre memoirs of people with mental illnesses Memoirs like the ones examined in this book often respond to stigmatizing tropes about the mad in popular culture and engage with concepts in mental health activism and research This study breaks new academic ground and argues that the featured texts rethink the possibilities of community building and stigma politics Drawing on literary analysis and sociological concepts it understands these memoirs as complex at times even contradictory approaches to activism

The Ministry, Vol. 11, No. 02 Various Authors, 2007-02-01 This issue of *The Ministry* contains a complete record of the nine messages given during the International Training for Elders and Responsible Ones held in Whistler British Columbia Canada October 5 7 2006 The

general subject of the training was *Shepherding the Flock of God* These messages are a continuation of the training given in the spring of 2006 see *The Ministry* Vol 10 No 5 The burden of these messages is not about the technique of shepherding but about what we are in our person and how we behave in the church This is according to Paul's word to the elders in Ephesus in Acts 20 He said Take heed to yourselves and to all the flock v 28 We first need to take care of ourselves to be shepherded in our own person before we take care of all the flock Messages 1 and 2 show us that our shepherding must be according to the plan of God and the word of God according to the teaching of the apostles and according to God These form the basis of our shepherding Messages 3 5 and 7 show us that our shepherding is in our living by the grace of God in an organic way according to His initiation and with our cooperation and in dealing with peculiarity These are the conditions of our shepherding Messages 4 6 and 8 show us that our goal must be to shepherd the saints into the faith of the truth into a life of living through dying and into a life of prayer for the organic practice of the God ordained way in the vital groups Finally in Message 9 if the elders are constituted with the basis the conditions and the goal of shepherding the flock of God will be shepherded to know the Body of Christ May the Lord speak to us His light shedding and life imparting word Last of all we include letters and reports concerning the recent gospel move in the Russian speaking world

Rethinking Jonah Thomas J. Belke, 2025-06-30 Was the Hebrew prophet Jonah a real or fictional person If real when did he live Who were his contemporaries Where did he grow up How long did he live What was he like Is the biblical book truth or fiction Can we know more about him than the forty eight verse account in the biblical book of Jonah one verse in 2 Kings and three short New Testament references To what extent are contemporary assessments of him as being the runaway prophet accurate And what really happened at Nineveh and in the aftermath This study uses an inference engine based approach and ancient sources to reconstruct and better understand what is arguably the second greatest story ever told *Rethinking Jonah* is subdivided into four volumes that build on each other as follows Volume 1 *Convergence* This first volume launches into the inference based historical reconstruction resulting in convergence on the ninth century BC timeframe Scribes scrolls cliffs caves and skulls prepare to be amazed Volume 2 *The Boy Prophet* This second volume reveals that Jonah is hidden in plain sight in 2 Kings and reconstructs the first part of his life from his miraculous birth in the spring of 850 BC to his first resurrection in 849 BC to him drowning to death at sea in 826 BC Volume 3 *Two Scrolls Not One* This third volume picks up with Jonah's second resurrection in 826 BC reveals that Jonah was originally published as two scrolls not one explains why Nineveh repented in 824 BC and reconstructs Jonah's third resurrection in 799 BC Volume 4 *Mysteries Unveiled* This fourth volume synthesizes the entire historical reconstruction including an in depth look at the sign of Jonah and the Jonah Israel super sign typology that Jonah's life is a typological map of the history of Israel past present and future
