Submission Keys To A Successful Marriage

Dr. Elizabeth Thambiraj

Submission Keys To A Successful Marriage:

Submission Willie Johnson, 2005-09 Submission Keys to a Successful Marriage is designed to help couples understand that the safest marriage in which one can be involved is a marriage in which both spouses are submitted to God. This book will help readers understand that submission is not a weak position but one which displays one's ability to surrender one's will to God. Furthermore, this book discusses such topics as God's design for marriage in the beginning, starting a relationship, denying fleshly desires, premarital preparation, the effects of childhood experiences, the importance of marriage vows, and what submission is. Of course, there are no perfect marriages, but couples should aspire to bring a certain level of glory to God in their relationship.

Twelve Biblical Steps to a Successful Marriage David S. Thompson, 2009-06 Marriage is one of the most satisfying and yet one of the most difficult relationships on earth. God places a great importance on this relationship and gives very clear principles on how it is to be lived out in the daily life using the Word of God. In *Twelve Biblical Steps*, these Biblical principles will be carefully analyzed and clearly explained so that every Christian couple can grasp their significance and begin to carry them out in their marriages. Some of these Biblical principles that are covered in this book are as follows: Follow the instructions, Building a spiritual network, Becoming friends not just roommates, Avoiding the triple threats, Fight to unite not divide. This book is not intended to cover all the challenges that married couples face. It is not an in-depth analysis of relationship issues. It is not expected to answer all of the questions that couples may have as they learn to build a new home and a new family. However, it is a book that seeks to dig into God's Word and apply His truth to the marriage relationship. The hope of this author is that the chapters that follow in this book will enable the husband and the wife to develop a marriage that is a success and so become examples for a new generation to follow. Dr. David S. Thompson has pastored churches in Queens, New York, and in the Cayman Islands, and in upstate New York. He and his wife Judith have been married over 33 years and have raised five children. He currently is the Professor of Bible and Missions at Trinity Baptist College.

The Love Test William E. Bacote, 2021-05-13 Love is the foundation of everything that God does. From chapter 1, *The Love Test* is a practical book to show you how different dimensions of love cause you to assess if you are truly walking in love. This book provides some guidelines to help you learn the art of loving others. *The Love Test* will provide some key points that demonstrate love and provide the opportunity for you to rate yourself in several aspects of love. Some topics are modeling love, love within the church, proof of love, the price of love, and the source of love. Can others see the love of God in you? *The Love Test* will ask you to answer this question and perhaps make adjustments in your life.

Mystery of Relationships Through the Lens of Scriptures Dr. Elizabeth Thambiraj, 2015-08-11. Struggles in our relationships often point to an issue only God knows. The mountains and valleys we face regarding relationships are often tiny spots to God. We can trust God because He is faithful. By trusting in His promises and understanding His unconditional love for us, it is possible to scale the unscalable and repair our relationships. Over the years marriage has changed. In her book *Mystery of Relationship through the Lens of Scriptures* Marriage Sex and Intimacy author Dr Elizabeth Thambiraj explains those changes and the strains put on marital relationships. Despite difficulties Elizabeth Thambiraj shows how the marriage covenant can be maintained through God. She points us to the happiness, security, self worth and confidence available from
