The Advocate of Christian Holiness, 1875 **Substitute for Love** Karin Kallmaker, 2001-02-15 A deep kiss and a single rule Like most women in dead end relationships Holly Markham was used to finding substitutes for love Like chocolate Fun times with good friends Throwing herself into her work But throwing herself into the arms of a leather clad stranger was never on her list When Holly's best friend Tori takes her to a dance for lesbians only she realizes that Tori is gently trying to push her out of the closet While it was true that Holly had been trying to come to terms with her growing attraction toward women no one expected Holly to take one look at the mysterious Reyna and fall hopelessly in lust Unable to resist the purely physical appeal of Reyna's sensuous demands Holly quickly succumbs to Reyna's delicious seduction After a night of delirious passion Reyna gives Holly a long kiss and single rule Call whenever you want me to make love to you There can be nothing else Although sexually fulfilled for the first time in her life Holly soon realizes that pleasure without emotion is no substitute for love a love she knows she and Reyna could share Knowing too well the high cost of living in shadows and denial Holly risks everything and sets out to pierce the deep shroud of mystery surrounding the woman she has come to love **The Original Version of "Love's Labour's Lost,"** David Starr Jordan, Douglas Houghton Campbell, Fernando Sanford, Gordon Floyd Ferris, Henry David Gray, Henry Waldgrave Stuart, 1918 *Love and Christian Ethics* Frederick V.

Simmons, 2016-12-15 At the heart of Christian ethics is the biblical commandment to love God and to love one's neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In *Love and Christian Ethics* nearly two dozen leading experts analyze

and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research Love and Christian Ethics is sure to become a benchmark resource in the field

Woman: Her Sex and Love Life William J. Robinson, 2020-09-28 **In Defense of Love** Ron Rosenbaum, 2024-09-17 Rosenbaum offers a spirited and enjoyable defense of his version of love The Wall Street Journal A stirring manifesto on love in the modern age now available for the first time in paperback In a work of ambition and brio legendary journalist Ron Rosenbaum tackles his hardest topic yet everyone's favorite four letter word He begins by investigating the neuroscience of love arguing that our understanding of love is imperiled by quantification and algorithms which distill our behavior into mathematical formulas our personality into brain chemical categories and our curiosity into quiz questions The very capacity that makes us human Rosenbaum posits is being taken over by numbers To save it he turns to literature and pop culture discussing writing about love from a vast range of sources including Tolstoy novellas trailblazing Updike manuscripts David Foster Wallace and Chrissie Hynde Part of love's essence is its mystery says Rosenbaum and when he eventually finds his own answer to the riddle of love a happy ending it turns up in a completely unexpected place In Defense of Love is more than an examination of the intersection of love with literature and science It is a celebration of the uncanny and the persistent the sublime and the ridiculous the inexorable power of love **Edinburgh**

Companion to Critical Theory Stuart Sim, 2016-02-10 No detailed description available for The Edinburgh Companion to Critical Theory *Ezra Pound and the Mysteries of Love* Akiko Miyake, 1991 For more than a decade scholars have understood that Ezra Pound employed mystical concepts of love in his writing of The Cantos In Ezra Pound and the Mysteries of Love Akiko Miyake furthers this understanding by looking at The Cantos as a major work in the Christian mystic religious tradition The author uncovers in the five volumes of Gabriel Dante Rossetti's *Il mistero dell'amor platonico del medio evo* the crucial link between The Cantos and the traditions of mystical love established by the ancient Greeks at Eleusis and borrowed by the late medieval Italian and Provençal poets Drawing upon this key five volume work as well as comprehensive research in both primary and secondary sources Miyake brings the partial perceptions of other critics and commentators into an illuminating whole Disclosing the deliberateness of The Cantos Miyake provides new insight into Pound's sense of culture and into the nature of his Confucianism She sheds light on the disastrous path Pound followed into Fascism and anti-Semitism and in contrast to the image of a pagan Pound that has emerged in recent years reveals a poet writing as a Christian from within the Christian mythical tradition [Love Without End](#) Melvyn Bragg, 2019-11-05 The Timeless Romance of Heloise and Abelard Is Given New Life in this Poignant Novel by an Award Winning Author for Fans of Philippa

Introduction The Dark Days of Love Alex Markman, 2012-08-15 Romance and adventure novellas about contemporary North American upper middle class family exposing highly intense drama behind a decent facade Acting in exotic places of American wilderness boardrooms of corporations or comfortable homes dangerous locales of Jamaica and megalopolises of Canada and the US the characters must deal with tough reality of competition temptations and intense desires often passing the threshold of morality and law These are not purely romantic stories although the intoxicating aura of romance permeates each novella But love and happiness often go hand in hand with tragedy when the romance fizzles and the complex practical matters flood the souls and minds of lovers Detailed in an elegant literary manner the beautiful world around us is shown as having too many opportunities and temptations for some which burden the human mind Our morals those unwritten rules that are supposed to supplement the laws governing society are often unable to sustain the burden of passion and desire Saturated with intense competition in business love and social matters life makes relations between the sexes more complicated than many can handle The book will appeal to many different readers Those who read solely for entertainment will find them intriguing and entertaining while the more cerebral readers will discover the deep philosophical questions the stories pose

The Absence of Love Jerry Piercy, 2021-03-16 In John 13 34 35 Jesus tells us to love one another in the same manner that He loves us He then says this By this will all men know that you are my disciples by the love they possessed and exhibited with each other Jesus could have given a number of different ways which may have possibly identified us as His chosen people but He hones in directly on this one all important sign love not just love itself but the kind of love that would clearly connect us to the love He has given and displayed in us It's the genuine and sincere love that we would share with one another that is the hallmark the identifier the tangible factor which would reveal to the world that we are indeed believers in and followers of Christ The New Testament speaks clearly and is saturated with imperatives concerning how and why we are to love God our fellow believers and even our enemies If love would be the aim the target the bull's eye so to speak how many of us are hitting the target How many of us are even aiming for it It is the negligence and lack of love that has compelled me to write this book It has grieved me so deeply to see and experience that absence of love from so many who profess to be Christians yet the constant mean spirited behavior has clearly spoken the opposite of what love is and what love does It grieves me even more deeply to discover the same behavior that I can be guilty of personally if and when I allow selfishness to rule my own thoughts and actions I find myself in need of constant repentance My experiences have been painfully real as they pertain to an absence of love in God's people It has caused me to cry out for more and more of God's patience and grace to love I believe that if we are lacking in love for others it is because we are not

properly connected to the source of love which is Christ the vine It is the love we have and exhibit to one another that matters most and if we are lacking it this should be of the utmost concern The Empire of Love Yum Razams,2002-01-23 In a simple and compelling writing the author recreates life in Ancient Egypt when the empire was at its peak The plot interweaves the Temples way of life with betrayals power struggles true love good humor and the wisdom of the Masters Over the centuries humanity has missed the true spirit of the Egyptian auto deism concepts until the present time when our perception has grown to a new level of understanding Now in a fantastic journey the author offers a view of Ancient Egypt a melange of traditions overlaid with legend folklore religious ceremony and natural beauty to meet the emerging need of the present Age of Aquarius Through the pages of The Empire of Love the reader will be confronted with different levels of being and parallel realities experiencing a new dimension foreign to time and space The plot takes place during the social revolution of the 60s when Karl the main character feels outcast among his own society and searching for an answer to his growing longing he leaves New York City in search of that truth that he knew was out there After long hours of a lonely driving through the inter state highways he reaches Arizona and overcome by exhaustion he decides to stop and rest for a while Sitting on a high cliff close to the road Karl falls asleep and without any warning he awakes on the high summit of the Amenti in ancient Egypt 3 000 years back in time Karl meets several characters that help to create a gradual awakening that adds more confusion to his perception of reality A dual feeling of happiness and fear takes place with each incident that evokes subconscious memories that he could not identify Everything becomes familiar and foreign at the same time The dialogues in the first part of the novel are filled with intense emotion and the teachings of the temple Karl begins to forget the nostalgic feelings for his American way of life his beloved XX century fades in his memory and he becomes immersed in the new experience imposed on him by destiny With the help of the temples masters Karl is induced into a deep hypnotic trance and he relives a previous incarnation in ancient Egypt as Aum a young temple initiate During this incarnation Aum Karl becomes a master at the temple of Heliopolis The successive events will bring Karl to a full awakening when different aspects of the Egyptian philosophy are incorporated into the drama to conclude with the self awareness and realization of his mission among men *Robert Love Taylor* ,1913 **The Resurrection of Mary Magdalene** Jane Schaberg,2004-08-31 The controversy surrounding Dan Brown s novel The Da Vinci Code has intensified interest in Mary Magdalene and Jane Schaberg provides an authoritative source for a deeper understanding and re assessment of this popular figure Within a progressive feminist framework The Resurrection of Mary Magdalene approaches Christian Testament sources through analysis of legend archaeology and gnostic apocryphal traditions This is the story of the suppression and distortion of a powerful woman leader Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy
