## Success In Marriage:

**Secrets of Success in Marriage** Dr. John G Githiga,2015-03-09 The book gives unprecedented insight for marriage enrichment by drawing wisdom from successful marriages in North America Europe Asia and Africa The author interviewed hundreds of couples from these continents The respondents who were couples who have been married for 20 to 70 years revealed the secrets of their success and the challenges which are facing married partners today Thus the book enables you to identify the causes of failure and to discover the secrets of success in marriage and is therefore of unsurpassed value to married partners and those who intend to marry The 7 Steps to a Successful Marriage May Victor,Vic Victor,2013-01-01 What if someone told you that the success or failure of any marriage is determined by answering five simple questions and by taking two easy steps What if you are provided with the five foundational questions and several multiple choice answers These resources will get you closer to your dream marriage than ever before What if you are methodically prepared and guided to the right answers that lead to success in marriage I bet your marriage will be purposeful fulfilled and fun filled The 7 Steps to A Successful Marriage is a step by step guide to your own successful marriage It is not the 7 secrets or the 7 keys or the 7 principles or the 7 wisdoms Any person who follows the steps one after the other will maximize their marriage in all respect Today couples get into marriage without any plan of action they start on a sandy soil and expect to build a skyscraper marriage on it People chose the wrong partner and expect to make him her the right one Some skip one or two steps in the process of marriage and expect a perfect relationship Please understand that there is no magic to marriage It s all about principles and process This book restates the principles and works you through the process to success in marriage **The Secrets of Success in Marriage** John Gatungu Githiga,2024-07-22 The book provides unprecedented insight into marriage enrichment and counseling by drawing wisdom from successful marriages in North America Europe Asia and Africa The author interviewed hundreds of couples from these continents The respondents including Christians Muslims Hindus Native Americans African Americans and Africans were couples who have been married for 10 to 70 years They revealed the secrets of their success and the challenges they faced as married partners In addition the author who has been married to the same wife for 53 years reveals the secrets of their success Thus the book enables you to identify the causes of failure and discover the secrets of success in marriage It is therefore of unsurpassed value to married partners those who intend to marry and as a great tool for premarital counseling and marriage enrichment seminars *Success in Marriage* David O. Oyedepo,Faith A. Oyedepo,1999 Success in Marriage David R Mace,David Robert Mace,1965 Happily Ever After Gary Chapman,2011-12-09 My husband and I can t seem to agree on anything You spent how much My wife s parents are driving me crazy You never listen to me Let s face it even the best of marriages hit an occasional bump in the road now and then The secret to marital bliss lies in how you and your spouse handle those bumps In *Happily Ever After* Gary Chapman the man who wrote the book on how to communicate with your spouse shows couples how to successfully navigate the six most common

problems that couples face fighting fair negotiating change managing money getting along with your in laws raising kids and maintaining a healthy sex life Drawing on more than 30 years of counseling experience Dr Chapman provides real world examples and practical battle tested advice that will help you and your spouse better understand and communicate with each other as well as grow as a couple for many years to come

**The Secrets of Success in Marriage** Dr John Gatungu Githiga, The Most Rev. John G. Githiga, 2014-10-08 The book gives unprecedented insight for marriage enrichment by drawing wisdom from successful marriages in North America Europe Asia and Africa The author interviewed hundreds of couples from these continents The respondents who were couples who have been married for 20 to 70 years revealed the secrets of their success and the challenges which are facing married partners today Thus the book enables you to identify the causes of failure and to discover the secrets of success in marriage and is therefore of unsurpassed value to married partners and those who intend to marry

**Successful Marriage and the Christian Family: Building a successful marriage**, 1949

**Towards a Successful Marriage** Majeedah IDRIS, 2021-01-18 The book covers all needed to make a fantastic husband to one s wife and of course a fabulous wife to one s husband The contents showed that the book stemmed from the author s interactions with couples who once had their marriages on the line or whose marriages regrettably crumbled This invariably makes the book written from an experiential point of view Most commendable for me is the writing style adopted by the author for better comprehension and practicability The words used are simple and straight to the point The chapters are sequentially arranged and the expressions meticulously coherent Given the lamentable spate of divorce in our time especially among young couples a book of this nature wherein husbands and wives are taught how to symbiotically relate with each other is not only necessary but sacrosanct It s a book to be read by singles and married encouraged by parents and used by professional and clerical counselors to settle marital discords

*Building a Love that Lasts* Charles D. Schmitz, Elizabeth A. Schmitz, 2011-09-14 The Best Relationship Book of 2008 is now in paperback Drs Charles and Elizabeth Schmitz s award

Focuses on what s right about a successful relationship rather than what s wrong Written by a popular and very active couple known as the marriage doctors who lead lectures training workshops and other events every week all over the country Contains candid interviews with a diverse collection of happily married couples from around the world This book offers a positive upbeat approach to living happily ever after

**Twelve Biblical Steps to a Successful Marriage** David S. Thompson, 2009-06 Marriage is one of the most satisfying and yet one of the most difficult relationships on earth God places a great importance on this relationship and gives very clear principles on how it is to be lived out in the daily life using the Word of God In Twelve Biblical Steps these Biblical principles will be carefully analyzed and clearly explained so that every

Christian couple can grasp their significance and begin to carry them out in their marriages Some of these Biblical principles that are covered in this book are as follows Follow the instructions Building a spiritual network Becoming friends not just roommates Avoiding the triple threats Fight to unite not divide This book is not intended to cover all the challenges that married couples face It is not an in depth analysis of relationship issues It is not expected to answer all of the questions that couples may have as they learn to build a new home and a new family However it is a book that seeks to dig into God s Word and apply His truth to the marriage relationship The hope of this author is that the chapters that follow in this book will enable the husband and the wife to develop a marriage that is a success and so become examples for a new generation to follow Dr David S Thompson has pastored churches in Queens New York and in the Cayman Islands and in upstate New York He and his wife Judith have been married over 33 years and have raised five children He currently is the Professor of Bible and Missions at Trinity Baptist College

**Strong Marriage Happy Life** Sonya Dawson,2014-12-08 The Principles Of A Successful And Lasting Marriage Love is the most important aspect of marriage to many people Most of us decide whether or not to get married more on the basis of our feelings of love than of any other aspect of our relationship and we evaluate the success of our marriage on the basis of those feelings more than anything else A surprising feature of the love aspect of marriage is that even in these times of rapid social change and innovative lifestyles it is an aspect that most people do not want to change This very important part of marriage is however difficult to study because love means very different things to different people and it is an extremely difficult experience to define If you re about to get married if you ve just gotten married or if you ve been in a marriage that seems to be going nowhere then this book is for you Knowing how to make your marriage work is an important aspect of happily living the rest of your adult life Strong Marriage Happy Life teaches you the core principles of successful marriages and how you can implement them to make your marriage work In other words this book teaches you the secrets to having a happy married life It s exactly how our favourite fairy tales end you and your spouse living happily ever after Gain Insight Into The Following Factors Of A Successful Marriage Nurturing Love Keeping the Ties Sexuality in Marriage Coping with Stress Preparing for Parenthood Your Marriage As The Years Pass Much much more
