Boston, Catherine Ross, 2017-07-12 Michael Porter has argued that a sustainable economic base can be created in the inner city only if it has been created elsewhere through private for profit initiatives and investment based on economic self interest and genuine competitive advantage not through artificial inducements charity or government Porter's ideas have prompted endorsement as well as criticism More importantly they have inspired a search for new solutions to inner city distress as well as a reassessment of current approaches The Inner City defines a core debate in the United States over the future of a racially divided urban America It is of inestimable importance to policy analysts government officials African American studies scholars urban studies specialists sociologists and all those concerned with inner city revitalization [Our Black Year](#) Maggie Anderson, 2012-02-14 Maggie and John Anderson were successful African American professionals raising two daughters in a tony suburb of Chicago But they felt uneasy over their good fortune Most African Americans live in economically starved neighborhoods Black wealth is about one tenth of white wealth and black businesses lag behind businesses of all other racial groups in every measure of success One problem is that black consumers unlike consumers of other ethnicities choose not to support black owned businesses At the same time most of the businesses in their communities are owned by outsiders On January 1 2009 the Andersons embarked on a year long public pledge to buy black They thought that by taking a stand the black community would be mobilized to exert its economic might They thought that by exposing the issues Americans of all races would see that economically empowering black neighborhoods benefits society as a whole

Instead blacks refused to support their own and others condemned their experiment Drawing on economic research and social history as well as her personal story Maggie Anderson shows why the black economy continues to suffer and issues a call to action to all of us to do our part to reverse this trend Why Not Win? Larry Thornton,2019-04-01 Aspiring business owners and executives seeking to climb to the next rung young to mid career professionals seeking tools for life achievement and general readers interested in biographies of successful people will like Larry Thornton s Why Not Win The book is a front row seat to how one man altered his thinking to transform his life The book begins with his growing up with brown skin in the 1960s in segregated Montgomery Alabama A desegregation school pioneer Thornton was a classroom failure until a perceptive English teacher showed him he had value and encouraged him to go to college Like the educator who changed his life Thornton became a classroom teacher But budget cuts took his job and he decided to rewrite his story using his artistic talent Thornton s artistry and work ethic got him attention at Coca Cola both for the good and the bad He had to figure out a way to navigate this new world where higher ups praised him but co workers reminded him of his blackness by drawing a noose in his workstation He persevered by learning to appreciate and embrace diversity people resources and conflicting opinions While his success grew at Coca Cola Thornton did the unthinkable set out to be the first African American to own a McDonald s franchise in Birmingham This thorny journey was peppered with threats attempts to thwart his mission and a marriage he could not keep from falling apart He absorbed the try try and try again motto and came to see that failure was a prelude to feasting upon the sweet fruit of success Thornton s own mother never had a checking account but years after her passing he found himself on the board of directors for a major financial institution He slowly became a part of a small fraternity of captains of industry and fought past guilt and insecurity to pave the way for others who look like him to join him at the table Trying to fit into this new world he learned that Thank you Please and Excuse me are perhaps three of the most powerful phrases in communication Thornton made up his mind that he would spend each day on a mission to show his unbending gratitude for his life and its benefits by fostering a supreme attitude and maintaining consistency in vision purpose and an unwavering commitment to principles Thornton s journey from Madison Park Montgomery has been a long one Why Not Win reflects on his most useful lessons and the anecdotes associated with them If he were a Zen monk his koan might well be Plan your past By that he means think ahead one day one week one year even twenty years out and decide today your desired outcome and work for it Thank God for memories he says Let s plan to make them pleasant ones
