people small businesses have taken advantage of the business model without building a strong foundation for its members. Some end up feeling discouraged with multi level marketing and vow never to join a company again. Donovan's Multi level Marketing will help you avoid just that. In a sea of companies that promises to make you part of the successful few, it can be a bit confusing which companies to join. This book has all the valuable information you need to help you navigate the world of multi marketing. In the book, Donovan discussed the following points: A list of the world's top 35 multi level marketing companies, How to successfully implement the multi marketing model, Myths about multi level marketing, Mistakes to avoid in multi level marketing, Multi level marketing tips for introverts, How to grow a highly profitable business. These are just a few of the many lessons you will learn from the book. So what are you waiting for? Don't get stuck getting paid by the hour but by the amount of work you do. Earn as much as you wish to. No other business strategy offers you this kind of freedom and income the way multi marketing does.

Ultimate Multi Level Marketing Secrets: Do You Dream of Becoming a Head Honcho? Is Your Sales Job Not Lucrative Enough? Do You Feel that Your Salary Does Not Reflect The Hard Work You Put In? Ever Considered Making a Switch To a Different Business? What If You Could Work From The Comfort of Your Own Home? What if You Had The Chance of Being Your Own Boss? Do You Dream of Becoming a Head Honcho? Is Your Sales Job Not Lucrative Enough? Do You Feel that Your Salary Does Not Reflect The Hard Work You Put In? Ever Considered Making a Switch To a Different Business? What If You Could Work From The Comfort of Your Own Home? What if You Had The Chance of Being Your Own Boss? People often confuse MLM with pyramid marketing; however, there is very clear distinction between the two approaches. Pyramid marketing is about getting your money and then using you to recruit other distributors. MLM, on the other hand, is about moving the product through a larger network of distributors so that the business can increase sales volume. Another difference between MLM and pyramid marketing is that Pyramid marketing requires each level to DOUBLE before a new level is created, so it isn't fair to people lower down in the levels and also unethical. MLM, however, awards a commission based upon the volume of product sold through own sales efforts as well as that of the down line organization. Since MLM faces the risks of initiating a business that has not been tested by the customers, is not recognized, people prefer to wait a couple of years before joining. Hence, they also witness the company's track record and reliability.
