*A Christian Guide to Sexual Counseling* Mary Ann Mayo, 2003-01-17 Sexual counseling is not a task that pastors and general Christian counselors usually consider theirs If one is to venture into the field he or she must have a solid foundation of reliable information both physiological and psychological and confidence that caring intervention will make a difference This book has been written to provide reliable information and also building a basis of confidence for Christian counselors A Christian Guide to Sexual Counseling offers counselors procedures for helping couples with sexual problems by first exploring the ambivalent messages that church and culture have conveyed about sexuality Because the primary sex organ of both the male and the female is the

mind attitudes and concepts must be scrutinized weighed and approved or disapproved As the author so forcefully maintains sexual counseling will always be trying to repair distortions if sound sex education does not become a priority for the church Many contemporary Christians are wary of sex therapy because of the notoriety of charlatans and pop sex psychologists But faddish theories do not comprise the basis for the mainstream of sex therapy There are sound biological and psychological bases for sexual counseling And Christian spirituality is not or should not be disjoined from treatment of sexual problems So Mayo brings body mind and spirit together in her assessment of the common problems and the appropriate treatments The book includes discussions of the following areas attitudes of the church toward sexuality the responsibility of Christian leaders to offer positive teaching normal sexual functioning common sexual problems in a marriage the role and possible outcomes of sexual counseling female problems male problems special concerns for singles premarital education

*Foundations for a Successful Marriage* Mark H. Bayer Ed.D.,2013-02-21 This book covers five key areas which will determine if a marriage has the greatest potential of being rewarding Marriage is a balance of these factors which will either add or detract from the relationship The better these areas function together the more rewarding the relationship can be Although these five areas are typically common to books on marriage the author seeks to look at the core issues behind each topic For example communication is more than just talking Communication must include being willing to hear your partner rather than just listening to them The goal is to maintain a positive attitude while understanding that no couple will have a marriage free of problems With this foundation the couple can better understand the weakest areas in their marriage and work on improving them **Missing Pieces: 21 Secrets of a Successful Relationship** Will Irvin,2008-10-10 Missing Pieces 21 Secrets of a Successful Relationship gives a common sense street level perspective into the world of relationships told from the point of view of a former Engineer who has broken down the mystery of relationships into three main categories Fundamentals The essential building blocks of any successful relationship Behaviors The day to day words and actions that will keep the relationship running smoothly Conflict Resolution How to handle the disagreements that will crop up in every relationship Written in a conversational style without a bunch of technical jargon and psycho babble Missing Pieces will take you step by step through the complex world of relationships and break it down into easy to digest pieces Each secret stands on its own but put together they make a terrific guide to navigating the often murky waters of human relationships Sex Research and Sex Therapy Ross Morrow,2013-06-17 Exploring the theoretical conceptual and historical issues surrounding the topic of sex research and sex therapy this book examines the influential scientific sex research completed by Masters and Johnson and its implications for sex therapy and the study of human sexuality **Technical Report of the Commission on Obscenity and Pornography** United States. underwater crime scene      **Alterman Big Club** Dr. Stanley B. Alterman, 2013-03-25 Bridge is one of the few games you don't have to play for money to enjoy. It's a fun game played by people who want to have fun but often hide that fact with a serious face and demeanor. Bridge like good love making takes time, effort, patience, concentration, and energy and is good for your mind, body, and soul. In *Alterman Big Club*, author Dr. Stanley B. Alterman presents a new world of bridge, the *Alterman Big Club ABC*, that enhances the current aspects of the game you now enjoy, eliminating complexity and adding constructive precision. Developed over the last five years, *Alterman Big Club* details a simple, novel system that bridge players can use to obtain above-average results. He uses his personal experience and research as a starting place for an insiders' guide that presents some history of playing systems and insights into the key strategies used by successful professional players. He invokes the KISS (keep it simple, stupid) principle to allow players to learn the ABC system as easy as they did their ABCs. *Alterman Big Club* shows how ABC is a precise system marked by with natural, simple bidding rules and none of the complexity and ambiguities of Precision or Standard American bridge bidding systems.
