Exotic Planting for Adventurous Gardeners Christopher Lloyd, 2007-10-10 Christopher Lloyd was one of the world's most outspoken and adventurous gardeners In this his last book he offers his unique perspective on creating hot and steamy planting schemes wherever you garden It features his most extravagant plantings in the famous borders and pot displays that delight and excite and sometimes shock visitors to his garden Great Dixter Covering structure as well as content hardy as well as tender foliage as well as flowers *Exotic Planting for Adventurous Gardeners* is a worthy successor to *Succession Planting* and an exuberant swansong for one of the most respected and beloved gardeners ever

The View from Great Dixter, 2010-01-01 In this intimate collection of written and photographic contributions Christopher Lloyd's wide circle of family and friends describe what Great Dixter means to them

Christopher Lloyd Stephen Anderton, 2010-03-04 Christopher Lloyd Christo was one of the greatest English gardeners of the twentieth century perhaps the finest plantsman of them all His creation is the garden at Great Dixter in East Sussex and it is a tribute to his vision and achievement that after his death in 2006 the Heritage Lottery Fund made a grant of 4 million to help preserve it for the nation This enjoyable and revealing book the first biography of Christo is also the story of Dixter from 1910 to 2006 a unique unbroken history of one English house and one English garden spanning a century It was Christo's father Nathaniel who bought the medieval manor at Dixter and called in the fashionable Edwardian architect Lutyens to rebuild the house and lay out the garden And it was his mother Daisy who made the first wild garden in the meadows there Christo was born at Dixter in 1921 Apart from boarding school war service and a period at horticultural college he spent his whole life there constantly re planting and enriching the garden while turning out landmark books and exhaustive journalism Opinionated argumentative and gloriously eccentric he changed the face of English gardening through his passions for meadow gardening dazzling colours and thorough husbandry As the baby of a family of six five boys and a girl Christo was stifled by his adoring mother Music loving and sports hating he knew the Latin names of plants before he was eight This fascinating book reveals what made Christo tick by examining his relationships with his generous but

scheming mother his like minded friends such as gardeners Anna Pavord and Beth Chatto and his colleagues including his head gardener Fergus Garrett a plantsman in Christo s own mould The Art of Gardening R. William Thomas,2025-04-08
