Suetonius The Lives Of Galba Otho Vitellius:

Lives of Galba, Otho & Vitellius ; ed. with translation and commentary by David Shotter Caius Suetonius Tranquillus,1993 *The Lives of the Twelve Caesars: Galba, Otho, Vitellius* G. Suetonius Tranquillus,2012-11-01 The Twelve Caesars is a set of twelve biographies of Julius Caesar and the first 11 emperors of the Roman Empire written by Gaius Suetonius Tranquillus The work written in AD 121 during the reign of the emperor Hadrian was the most popular work of Suetonius at that time Hadrian s personal secretary and is the largest among his surviving writings The Twelve Caesars is considered very significant in antiquity and remains a primary source on Roman history *A Historical Commentary on Suetonius' Lives of Galba, Otho and Vitellius* C. L. Murison,1977 **The Nonviolent Atonement** J. Denny Weaver,2001-08-28 This challenging work explores the history of the Christian doctrine of atonement exposing the intrinsically violent dimensions of the traditional Anselmian satisfaction atonement view and offering instead a new thoroughly nonviolent paradigm for understanding atonement based on narrative Christus Victor The book develops a two part argument J Denny Weaver first develops narrative Christus Victor as a comprehensive nonviolent atonement motif The other side of the discussion exposes the assumptions and the accommodation of violence in traditional atonement motifs The first chapter lays out narrative Christus Victor as nonviolent atonement that reflects the entire biblical story though paying particular attention to Revelation the Gospels and Paul This biblical discussion also touches on the Old Testament story Hebrew sacrifices and the book of Hebrews Following chapters place narrative Christus Victor in conversation with defenders of Anselm and with representatives of black feminist and womanist theologies These discussions expose an accumulation of dimensions of violence in the several forms of satisfaction atonement A final substantive chapter analyzes the inadequacy of all attempts to defend Anselm against the recent challenges raised by feminist and womanist perspectives This analysis lays bare the violent dimensions of satisfaction atonement which can be camouflaged but not removed In light of this discussion Weaver argues that the view of satisfaction atonement must be abandoned and replaced with narrative Christus Victor as the only thoroughly biblical and thoroughly nonviolent alternative *Galba, Otho & Vitellius* Suetonius,1993 The importance of this study lies in the fact that it applies fresh understanding of these events to Suetonius accounts comparing them to the chief alternative to be found in the works of Tacitus Plutarch and Dio Cassius The careers and reigns of the three emperors are discussed in the introduction whilst the minor characters involved in the events are treated as relevant in the commentary this is constructed with the non Latinist in mind and the notes are appended to the translation rather than to the Latin text *Plutarch's Lives* Tim Duff,1999 The Parallel Lives of Plutarch c AD 45 120 a vast retrospective series of biographies of Greek and Roman statesmen have always been one of the most widely read of the works which survive from classical antiquity They were written when Roman imperial power was reaching its height and are sophisticated examples of a renaissance classicism both linguistic literary philosophical and historical which formed a Greek

reaction to Roman domination The Parallel Lives thus offer us a unique insight into the reception of Classical Greece and Republican Rome in the Greek world of the second century AD They also explore and challenge issues of psychology education morality and cultural identity In this new study discussions of Plutarch's literary techniques and moral conceptions are combined with case studies of a number of paired Lives Pyrrhos Marius Phokion Cato Minor Lysander Sulla and Coriolanus Alkibiades As the author demonstrates the parallel structure of the Lives is not only vital to their interpretation but also reflects a Greek attempt to appropriate and make sense of the pasts of both Greece and Rome

Tacitus: Histories Book I Cornelius Tacitus,2003 The first historical work by Rome's greatest historian Tacitus Histories hold a crucial place in the history of Latin literature Book I covers the beginning of the infamous Year of the Four Emperors 69 CE which brought imperial Rome to the brink of destruction after the demise of the Julio Claudian dynasty Galba Otho and Vitellius ride the currents of

senatorial politics and military sedition to power while the survivor Vespasian waits just off stage After a distinguished public career during the principates of Vespasian and his sons Tacitus in middle age embarked on a historical narrative recording the seering events of the Rome of his youth This edition provides a Latin text of Book I a commentary accessible to students of intermediate level and above and an introduction discussing historical literary and stylistic issues The chance survival of three parallel accounts permits detailed analysis of Tacitus selection and stylization of material **The Histories**

Tacitus,2009-06-25 In AD68 Nero s suicide marked the end of the first dynasty of imperial Rome The following year was one of drama and danger though not of chaos In the surviving books of his Histories the barrister historian Tacitus writing some thirty years after the events he describes gives us a detailed account based on excellent authorities In the long but single year of revolution four emperors emerge in succession Galba Otho Vitellius and Vespasian who established the Flavian dynasty Rhiannon Ash stays true to the spirit of Wellesley s prose whilst making the translation more accessible to modern readers **The Alter-Imperial Paradigm** Shane J. Wood,2015-10-27 Many assume the book of Revelation is merely an anti imperial attack on the Roman Empire Yet Shane J Wood argues this conclusion over exaggerates Rome s significance and thus misses Revelation s true target the construction of the alter empire through the destruction of the preeminent adversary Satan Applying insights from Postcolonial criticism and Examinations of Dominance this monograph challenges trajectories of New Testament Empire Studies by developing an Alter Imperial paradigm that appreciates the complexities between the sovereign s and subject s of a society beyond simply rebellion or acquiescence Shane J Wood analyses Roman propaganda Jewish interaction with the Flavians and Domitianic persecution to interpret Satan s release Rev 20 1 10 as the climax of God s triumphal procession Thus Rome provides the imagery Eden provides the target *Political Murder* Franklin L. Ford,1985 Ford s exploration of calculated personalized assassination draws on history literature law philosophy sociology and religion Addressing the vast array of cases and combing thousands of years of history he asks most of all whether assassination works

The Lord Wept William K. Schultz,2007-08 *The Lord Wept* The Freedom of Zion The Great Jewish Revolt against Rome was a first century tragedy whose effects still resonate today Timeless themes that still plague the Middle East region and the world ethnic conflict religious fanaticism social upheaval and the clash of civilizations made their baleful appearance in this bloody conflict fought from 66 73 CE The Jews struggle against the Rome of Nero Caesar was part of the age old battle of human kind to establish a society of justice and freedom in the face of the tyranny and exploitation of a great empire It is also a story of the deeply fractured and corrupted Jewish nation s bitter struggle with itself over issues of wealth and poverty law and governance and collaboration or defiance while seeking to order its society according to its unique laws and customs An intense religious atmosphere infused the Jewish drive for freedom and the deep religious ferment associated with their struggle had a profound influence on the subsequent development of both Judaism and Christianity The trilogy *The Lord Wept* brings to life the swirling events of the Jewish nation s attempt to free itself from the Roman Empire Its characters are

largely drawn from actual personages of the time and the action adheres closely to historic events The Disinherited Nation the first novel of the trilogy also available from Xlibris is set amidst the chaotic events of the year 66 when the revolt erupted and the Jews attained a temporary freedom The final two novels of the trilogy are here published as the twin parts of the novel The Freedom of Zion The Star and the Scepter the first part of that book is set in the years 67 and 68 CE when a new Roman general Flavius Vespasianus conducts a brutal campaign of reconquest in Judaea The shaky new government of free Israel a conservative regime headed by High Priest Ananus is unable to offer effective resistance and is itself overthrown by an uneasy coalition of Jewish revolutionaries including the Zealots led by the radical aristocrat Eleazar ben Simon who attempt to impose far reaching changes in Jewish society and governance Another radical faction the Tzadikim is ensconced in the desert fortress of Masada One of its leaders Eleazar ben Ja ir believing that the Lord has condemned the new Jewish state for its corruption hopes to take his movement completely out of the war while his colleague Simon ben Giora nurses a vision of unremitting resistance to Rome In the course of these events the respected old rabbi Jochanan ben Zacchai despairs that the new free Israel can ever fight off the Romans and begins to formulate a radically different Jewish society that will survive the inevitable destruction of Jerusalem and its temple He eventually flees Jerusalem and establishes himself at Jabne a town turned into a refugee camp by Vespasian Meanwhile the young priestly aristocrat Joseph ben Matthias has been sent to lead the resistance movement in Galilee He is unable to stop Vespasian s onslaught and is himself trapped and captured Vespasian spares his life however intrigued by his prisoner s amazing prophesy Joseph declared that the Lord revealed that the Roman general was the star and the scepter of an ancient Jewish prophesy who is fated to rule the world Joseph changes sides and becomes a sycophantic adherent of Vespasian and his son Titus He begins to put together a grotesquely biased account of his experiences in the Jewish War filled with absurd flattery of his new Roman patrons that even Titus does not take seriously The Christian community of Jerusalem is plunged into increasing despair by deteriorating conditions in the city Its members incessantly study the words of Jesus to seek guidance as to what they should do They eventually decide to flee Their guest the Greek convert Luke who is now married to the lovely Rachel the youngest daughter o **T&T Clark**

Rome and her Empire David Shotter, 2014-10-13 The name of Rome excites a picture of power and organisation as do the widely spread ruins that Roman civilization left behind Yet Rome grew out of a collection of small villages and major developments such as the growth of Empire were unplanned and completely unprepared for Influenced by a small number of self interested aristocrats who lacked a broader vision Rome was often threatened by their intrigues Brought to the ground on a number of occasions its leaders were able to snatch victory from the jaws of defeat How did Rome survive for nearly 1000 years ruling over millions of people with few instances of internal rebellion David Shotter argues that the key was the way Rome managed to adapt to new circumstances without at the same time discarding too many of its cherished traditions
