Making

Sense Of: Health, Illness and Disease ,2021-10-25 Health illness and disease are topics well suited to interdisciplinary inquiry This book brings together scholars from around the world who share an interest in and a commitment to bridging the traditional boundaries of inquiry We hope that this book begins new conversations that will situate health in broader socio cultural contexts and establish connections between health illness and disease and other socio political issues This book is the outcome of the first global conference on Making Sense of Health Illness and Disease held at St Catherine s College Oxford in June 2002 The selected papers pursue a range of topics from the cultural significance of narratives of health illness and disease to healing practices in contemporary society as well as patients illness experiences Researchers and health care practitioners now live in the age of interdisciplinarity which has transformed both health care delivery and research on health The essays in this collection transcend the traditional boundaries of biomedicine and draw attention to the many ways in which health is embedded in socio cultural norms and how these norms in turn shape health practices and health care This volume is of interest not only to researchers but also to those delivering health care

Defeating Cancer: A Christian Spiritual Warfare Model , Medical Humanism, Chronic Illness, and the Body in Pain Vinita Agarwal,2020-10-06 Even as life expectancies increase increasing numbers of people are living with chronic illness and pain than ever before Long term self management of chronic conditions involves negotiating the intersections of personal life choices community and workplace structures and family roles Medical Humanism Chronic Illness and the Body in Pain An Ecology of Wholeness proposes an ecological model of wholeness which envisions wholeness in the dialogic engagement of the philosophical orientations of the biomedical and traditional medical systems Vinita Agarwal proposes an integrative premise of being whole through revising the fundamental definitions of humanism rethinking the self body environment and thereby recognizing alternative ways of organizing knowledge and human experience as this model pushes the intersections of patient centered care and sustainable health ethics It is in the spaces of such intersections Agarwal argues that we accomplish healing as an integrative relationship of the individual with the multiple cultural logics underlying chronic conditions and the competing medical worldviews of our contemporary landscape Scholars of communication health and medical humanities along with practitioners working with patients who have chronic conditions will find this book particularly useful

Philosophy of Religion and the African American Experience John H. McClendon III, 2017-07-03 Most white philosophers of religion generally presume that philosophy of religion is based on what is a false universality whereby the white Western experience is paradigmatic of humanity at large The fact remains that Howard Thurman James H Cone and William R Jones among others have produced a substantial amount of theological work quite worthy of consideration by philosophers of religion Yet this corpus of thought is not reflected in the scholarly literature that constitutes the main body of philosophy of religion Neglect and ignorance of African American Studies is widespread in the academy By including chapters on Thurman Cone and Jones the present book functions as a corrective to this scholarly lacuna

Spirituality, Healing, and Medicine David Aldridge, 2000 Aldridge evaluates the existing literature from across the disciplines to ascertain just how effective spiritual healing may be on the patient's well being He encourages us to redefine treatment strategies and our understanding of health and argues that the spiritual elements of experience help the patient to find purpose meaning and hope

The Fallible Body: Narratives of Health, Illness & Disease Vera Kalitzkus, Peter L. Twohig, 2020-09-25 There is perhaps no subject that lends itself to interdisciplinarity better than corporeal finitude and it is a recognition of this fact that from 12 to 15 July 2006 a group of international scholars policy makers and practitioners were brought together for the 5th annual conference Making Sense of Health Illness and Disease

Illness and Health in the Jewish Tradition David L. Freeman (M.D.), Judith Z. Abrams, 1999 The premise of the Jewish attitude toward illness is that living is sacred that good health

enables us to live a fully religious life and that disease is an evil Any effective therapy is permitted even if it conflicts with Jewish law To bring about healing is a responsibility not only of the person who is ill and of the professional caregivers but also of the loved ones and of the larger circle of family friends and community Illness and Health in the Jewish Tradition is an anthology of traditional and modern Jewish writings that highlights these basic principles BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved People Suffer Vol.1 Prof. Jean-Claude Larchet, GOD DOES NOT WANT people to suffer ILLNESS IN THE LIGHT OF the Orthodox Faith HEALING MENTAL ILLNESS The experience of the Christian East in the first centuries FOOLS FOR CHRIST Crazy for the sake of Christ IMAGE OF THEOSIS
