to be given to me The second saint said Yes I know you are a man of great austerities but I am a great scholar I have studied all the scriptures my whole life I have devoted in the service of knowledge And the world does not need people who can fast What can you do you can only fast You can fast in heaven The world needs knowledge The world is so ignorant that it cannot afford to miss me The halva has to be given to me Mulla Nasruddin said I am not an ascetic so I cannot claim any self control I am not a great knowledgeable person either so that too I cannot claim I am an ordinary sinner and I have heard that God is always compassionate to the sinners The halva belongs to me They could not come to any conclusion Finally they decided that We all three should sleep without eating the halva and let God decide himself So whosoever is given the best dream by God in the morning that dream will be decisive In the morning the saint said Nobody can compete with me anymore Give me the halva because in the dream I kissed God s feet That is the ultimate that one can hope what greater experience can there be The pundit the scholar the knowledgeable person laughed and he said That is nothing because God hugged me and kissed me You kissed his feet He kissed ME and hugged me Where is the halva It belongs to me They looked at Nasruddin and asked What dream did you have Nasruddin said I am a poor sinner my dream was very ordinary very ordinary not worth even telling But because you insist and because we have agreed I will tell you In my sleep God appeared and he said You fool What are you doing Eat the halva So I have eaten it because how can I deny his order There is no halva left now The Little Book of Sufi Parables Short Stories on Wisdom and Spirituality Sufi Masters have been using short stories to teach people important life lessons In just a few paragraphs the Sufis are able to convey messages that others can hardly do in hundreds of pages This great compilation of stories offer insights into their wisdom and inspirations Perfect for anyone who appreciates good storytelling and philosophical spiritual questioning The Perfect Master Osho,1980 *Tales of the Dervishes* Idris Shah,1977 *Tales of the Dervishes* Idris Shah,1969 **Stories of the Pious** Reyaz Nadeem,2018-09-09 This book contains short stories taken from the lives of the famous Sufi saints These tales are full of morals excellent virtues and inspirations for everyone Over the years millions of people have benefited from them in a direct or indirect manner The readers are sure to get uplifted by going through this wonderful collection of stories of the pious and upright ones Big Tales Hazrat Khan,2015-12-14 Big Tales by Hazrat Inayat Khan Foreword by Neil Douglas Klotz Compiled and Edited by Mansur Johnson Sufi Stories ,1996
