Sinners In Summertime:

Sinners in Summertime Sigurd Hoel, 2002 Back in print after 70 years this edition features an afterword by Sverre Lyngstad *Catalog of Copyright Entries, Third Series*, 1966 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc *Cloud 8* Grant Bailie, 2003 Does the afterlife consist of free beer and Abe Lincoln look a likes **The Literary Beach** Carsten Meiner, Katrine Helene Andersen, 2024-05-08 As a geo historical place the beach integrates a variety of characteristics and functions so multiple that they tend to contradict each other The beach is both a place of work and trade but also of leisure it is both a place of therapy and health but also of migration war and death it is a place of mass tourism and boredom but also the place of experiencing the Other it is a public place but also an uncivilized and desolate place This book studies the literary representation of the beach from ancient Greek literature up until today drawing on English French Italian American and Spanish literatures from various periods and genres and presenting multiple ways of comparing and understanding literary beaches as a ubiquitous literary phenomenon It demonstrates how the literary beach as a both geo historical place and as an aesthetic literary commonplace has been a constant and privileged resource for the analysis of more general existential sociological and moral problems This is the case when for instance the Tahitian beach becomes the place of the already modern in Stevenson's tales or when the Italian beach becomes a question of modern feminism in Ferrante In this sense literature expands the local or national beach by articulating its transnational complexities **Wilhelm Reich, Biologist** James E. Strick, 2015-04-01 Wilhelm Reich's experiments in the 1930s with cutting edge light microscopy and time lapse micro cinematography were considered discredited but not because of shoddy lab technique as has been claimed Scientific opposition to Reich's experiments James Strick argues grew out of resistance to his unorthodox sexual theories and Marxist leanings **The Complete Review Guide to Contemporary World Fiction** M.A. Orthofer, 2016-04-19 A user friendly reference for English language readers who are eager to explore contemporary fiction from around the world Profiling hundreds of titles and authors from 1945 to today with an emphasis on fiction published in the past two decades this guide introduces the styles trends and genres of the world's literatures from Scandinavian crime thrillers and cutting edge Chinese works to Latin American narco fiction and award winning French novels The book's critical selection of titles defines the arc of a country's literary development Entries illuminate the fiction of individual nations cultures and peoples while concise biographies sketch the careers of noteworthy authors Compiled by M A Orthofer an avid book reviewer and the founder of the literary review site the Complete Review this reference is perfect for readers who wish to expand their reading choices and knowledge of contemporary world fiction A bird's eye view of titles and authors from everywhere a book overfull with reminders of why we love to read international fiction Keep it close by Robert Con Davis Udiano executive director

Charlie Oughton, Patricia di Risio, Pieter Aquilia, Julie K Allen, Aimee Dixon Anthony, 2017-01-10 The first ever overview of women s contributions to the dawn of cinema looking at a variety of roles from writers and directors to film editors and critics Why have women such as Alice Guy Blache the creator of

narrative cinema been written out of film history Why have so many women working behind the scenes in film been rendered invisible and silent for so long Silent Women pioneers of cinema explores the incredible contribution of women at the dawn of cinema when surprisingly more women were employed across the board in the film industry than they are now It also looks at how women helped to shape the content style of acting and development of the movie business in their roles as actors writers editors cinematographers directors and producers In addition we describe how women engaged with and influenced the development of cinema in their roles as audience critics fans reviewers journalists and the arbiters of morality in films And finally we ask when the current discrimination and male domination of the industry will give way to allow more women access to the top jobs In addition to its historical focus on women working in film during the silent film era the term silent also refers to the silencing and eradication of the enormous contribution that women have made to the development of the motion picture industry The surprise of the essays collected here is their sheer volume in every corner of a business apparently better able to accommodate female talent then than now Danny Leigh Financial Times July 2016 It s a fascinating journey into the untold history of a largely lost era of film Greg Jameson Entertainment Focus March 2016 This book shows how women s voices were heard and helped create the golden age of silent cinema how those voices were almost eradicated by the male dominated film industry and perhaps points the way to an all inclusive future for global cinema Paul Duncan Film Historian Inspirational and informative Silent Women will challenge many people s ideas about the beginnings of film history This fascinating book roams widely across the era and the diverse achievements and voices of women in the film industry These are the stories of pioneers trailblazers and collaborators hugely enjoyable to read and vitally important to publish Pamela Hutchinson Silent London Every page begs the question how on earth did these amazing women vanish from history in the first place I defy anyone interested in cinema history not to find this valuable compendium a must read It s also a call to arms for more research into women s contribution and an affirmation of just how rewarding the detective work can be Laraine Porter Co Artistic Director of British Silent Film Festival An authoritative and illuminating work it also lends a pervasive voice to the argument that discrimination and not talent is the barrier to so few women occupying the most prominent roles within the industry Jason Wood Author and Visiting Professor at MMU I was amazed to discover just how crucially they were involved from not just in front of the camera but in producing directing editing and much much more An essential read Neil McGlone The Criterion Collection Sigurd Hoel's Fiction Sverre Lyngstad,1984-10-18 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library.
