**The Sins of the Mothers** Frank Delaney, 1992      **Sins of the Mothers** Bryan M. Powell, Sins of the Mothers a Historical Fiction Spy Novel set during World War I Sabrina Clair Hastings had not always been a spy She had not always been a harlot At one time she was a happy free spirited girl Then a letter came which changed everything Everything When World War I broke out she was faced with a choice save herself or save her country She chose her country Along the way she was forced to make additional choices break dozens of promises take scores of risks and allow certain compromises In the end however there was one choice she ll never regret And that s the one she wants you to remember      **Sins of the Mother** Irene Kelly, Jennifer Kelly, Matt Kelly, 2015-08-13 Sins of the Mother is a powerful and inspiring story of a family whose love was tested but never broken who finally found the strength to heal the past Irene Kelly was brought up in poverty and abused by her mammy from an early age But home life was still better than the time she spent in one of Dublin s industrial orphanages In that harsh regime she was beaten and sexually assaulted Set to work in the nursery she saw the nuns treat the babies with horrifying cruelty As an adult those experiences haunted Irene When she fell in love with Matt who was fighting his own demons they moved to England for a new start They wanted their daughter Jennifer to have a better life but in trying to protect her by hiding their past they only succeeded in pushing her away Until one day Irene had a phone call from Ireland that changed everything An epic and stirring story which shows that it is possible to overcome the worst start in life Sunday Mirror      **Sins of the Mothers** Marius Lyle, 1918      Sins of the Mother Maria Eftimiades, 2024-07-02 The true crime account of the infamous South Carolina mother who intentionally drowned her two sons includes in depth interviews with sources close to her On October 25 1994 a hysterical Susan Smith told police a tale that would strike terror in the hearts of mothers everywhere An unidentified gunman had sped off with her two little boys leaving her screaming on the side of the road For more than a week the people in the tiny town of Union South Carolina rallied around the young mother They combed the woods and neighborhood parks for the missing children and prayed for their safe return while FBI teams launched a massive manhunt No one ever suspected that the pretty twenty three year old who tearfully pleaded for her children in front of millions of TV viewers could be capable of such a heartless act until she led police to the watery graves of her young sons Join the shaken community s journey of grappling with their sorrow anger and confusion Sins of the Mother is more than a crime story it s an exploration of human frailty and the dark side of maternal love      **The Sins of the Mother** Danielle Steel, 2012-10-30 NEW YORK TIMES BESTSELLER Every woman makes choices And no one has made more difficult choices than Olivia Grayson The enormously successful businesswoman missed out on much of her children s lives while she built her legendary home furnishings empire In Danielle Steel s character rich new novel Olivia faces the past tries to balance the present and makes amends where due while still running her vastly successful business THE SINS OF THE MOTHER As a way of making up to them for time lost Olivia spends months every year planning a lavish holiday that

everyone in her family will enjoy This summer she has arranged a dream trip in the Mediterranean on a luxurious yacht which she hopes will be the most memorable vacation of all Her lavish gesture every year expresses her love for them and regret at all the important times she missed during her children s younger years Her younger daughter Cassie a hip London music producer refuses the invitation altogether as she does every year Her older daughter Liz lives in her mother s shadow with a terror of failure as she tries to recapture her dream of being a writer And her sons John and Phillip work for Olivia for better or worse with wives who wish they didn t In the splendor of the Riviera this should be a summer to remember with Olivia s children grandchildren and daughters in law on board But as with any family gathering there are always surprises and no matter how glamorous the setting things don t always turn out as ones hopes Family dynamics are complicated old disappointments die hard and as forgiveness and surprising revelations enter into it new bonds are formed and the future takes on a brighter hue And one by one with life s irony Olivia s children find themselves committing the same sins for which they blamed their mother for so many years It is a summer of compassion important lessons and truth *The Sins of the Mother* captures the many sides of family love complex challenging funny passionate and hopefully enduring Along the way we are enthralled by an unforgettable heroine a mother strong enough to take more than her fair share of the blame wise enough to respect her children for who they really are and forgiving enough to love them unconditionally **BONUS** This edition includes an excerpt from Danielle Steel s *Winners* *The Sins of the Mothers* Jenna Carole, Pigdale Publishing, 2001 **The Best From Fantasy and Science Fiction** Edward L.
