**The Peabody Sisters** Megan Marshall, 2006-05-11 Pulitzer Prize Finalist A stunning work of biography about three little known New England women who made intellectual history The New York Times Elizabeth Mary and Sophia Peabody were in many ways the American Brontës The story of these remarkable sisters and their central role in shaping the thinking of their day has never before been fully told Twenty years in the making Megan Marshall's monumental biography brings the era of creative ferment known as American Romanticism to new life Elizabeth Peabody the oldest sister was a mind on fire

influence on the great writers of the era Emerson Hawthorne and Thoreau among them who also published some of their earliest works it was she who prodded these newly minted Transcendentalists away from Emerson's individualism and toward a greater connection to others Middle sister Mary Peabody was a passionate reformer who finally found her soul mate in the great educator Horace Mann And the frail Sophia an admired painter among the preeminent society artists of the day married Nathaniel Hawthorne but not before Hawthorne threw the delicate dynamics among the sisters into disarray Casting new light on a legendary American era and on three sisters who made an indelible mark on history Marshall's unprecedented research uncovers thousands of never before seen letters as well as other previously unmined original sources A massive enterprise The Peabody Sisters is an event in American biography The New York Times Book Review Marshall's book is a grand story where male and female minds and sensibilities were in free fruitful communion even if men could exploit this cultural richness far more easily than women The Washington Post Marshall has greatly increased our understanding of these women and their times in one of the best literary biographies to come along in years New England Quarterly Books in Print Supplement ,2002 *Swing It!* John Sforza,2000 **Seasons of a Scholar** John H. Dunning,2009-01-01 In his perceptive and easily readable autobiography John Dunning walks the reader through the four seasons of his professional and private life With just the right touch of humour he recounts his boyhood experience during the eventful days of the Second World War his three year spell in the Royal Navy as well as his years as a student and research assistant at University College London He then goes on to describe his times as teacher and researcher at Southampton Reading and Rutgers Universities and the origin and evolution of the Reading School of International Business scholarship Along the way the author shares some of his many and varied consultancy assignments and travelling experiences offering some insights into his personal values and home life in Henley on Thames and Cornwall This remarkable book gives a unique personal insight into the life and work of one of the most influential figures in the study of international business It will no doubt prove a fascinating read to all those with an interest in the field and its development and especially to those who have benefited from the work of one of its great thinkers and scholars Angels in Swollen Crises Chol-wduok,2016-03-10 In November of 1991 with the Nile in flood a breakaway faction of the Sudan People's Liberation Army SPLA led by Riek Machar killed approximately 2 000 Dinka civilians in the southern Sudanese state of Jonglei in what would become known as the Upper Nile Dinka Massacre as part of his power struggle with SPLA leader John Garang Machar looked to exploit ethnic rivalries between the Nuer and the Dinka peoples This is the horrifying maelstrom that swept up and displaced Chol wduok and his extended family and would nine years later land him in a Kenyan refugee camp south of Lokichogio Chol wduok was a young boy at the time young enough not to have been conscripted as a child soldier by the SPLA which routinely took children as young as 13 Of course this brutal massacre was but one act in a much longer play namely the Second Sudanese Civil War which raged between the SPLA and the Sudanese government which in 1991 was represented by the Revolutionary

Command Council for National Salvation RCC under General and President Omar al Bashir The Second Sudanese Civil War was one of the longest civil conflicts on record lasting 22 years from 1983 to 2005 Angels in Swollen Crises is a compelling nine year thread 1991 2000 woven through the tattered fabric of bloody events that blanketed the region like a shroud It is a story of unbelievable hardship and dislocation following its narrator from childhood to young adulthood **Moonrise** Penny Wolfson,2004-05 Moonrise is Penny Wolfson s first person account of her family her son Ansel and his progressive disability caused by the genetic disease Duchenne muscular dystrophy The journey begins when he is born and deemed a particularly beautiful and magical baby continues with the alarming possibility at the age of two of wrongness takes us through the diagnosis of disease and prognosis of early death and brings us to his adolescence where his parents are never sure if the moon is rising or setting over his life As she traces her son s development and the impact of his disability on her worldview she embarks on a quest to understand scientific advances and their implications The gene was isolated at approximately the time Ansel was diagnosed She also explores special education giftedness prenatal testing and the genetic links she shares with her mother sisters and son Questions about the disease causing mutation persist What does knowledge of the self on a molecular level mean Is genetic self knowledge our goal now much as knowledge of the psyche was in the last century Moonrise is an essential contribution to the dialogue about genetics as well as a deeply human story about a remarkable child and his family **It Takes a Matriarch** Stephen W.
