Highlighting connections that have been hidden from non-Jewish eyes, Rabbi Jason Sobel will connect the dots between the Old and New Testament, helping you see the Bible with clarity as God intended. Most people, even people of faith, do not understand how the Bible fits together. Too many Christians accept half an inheritance content to embrace merely the New Testament while Jewish people may often experience the same by embracing only the Old Testament. But God has an intricate plan and purpose for both the Old and the New. In *Mysteries of the Messiah*, Rabbi Jason Sobel reveals the many connections in Scripture hidden in plain sight. Known for his emphatic declaration but there's more: he guides us in seeing the passion and purpose of the Messiah. *Mysteries of the Messiah* uncovers connections between the Old and New Testaments, connects the dots for readers with details about Jesus, the Torah, and biblical characters. Written with the unique perspective of a rabbi with an evangelical theological degree, no matter how many times you have read the Bible, *Mysteries of the Messiah* will bring fresh perspective and insight. God's Word, written by many people over thousands of years, is not a random selection of people and stories. Rabbi Jason Sobel connects the dots and helps us see with clarity what God intended.
