Zigrosser*

Six Centuries Of Fine Prints

Minjie Lin

Six Centuries Of Fine Prints:

Six Centuries of Fine Prints. The Book of Fine Prints. An Anthology of Printed Pictures and Introduction to the Study of Graphic Art in the West and the East. (Revised Edition.). Carl Zigrosser, 1948 *Harold Innis's History of Communications* William J. Buxton, Michael R. Cheney, Paul Heyer, 2014-12-18 For decades media historians have heard of Harold Innis's unpublished manuscript exploring the history of communications but very few have had an opportunity to see it. In this volume editors and Innis scholars William J. Buxton, Michael R. Cheney, and Paul Heyer make widely accessible for the first time three core chapters from the legendary Innis manuscript. Here Innis 1894-1952 examines the development of paper and printing from antiquity in Asia through to 16th century Europe. He demonstrates how the paper printing nexus intersected with a broad range of other phenomena including administrative structures, geopolitics, militarism, public opinion, aesthetics, cultural diffusion, religion, education, reception, production processes, technology, labor relations, and commerce, as well as the lives of visionary figures. Buxton, Cheney, and Heyer knit the chapters into a cohesive narrative and help readers navigate Innis's observations by summarizing the heavily detailed factual material that peppered the unpublished manuscript. They provide further context for Innis's arguments by adding annotations, references, and pertinent citations to his other writings. The end result is both a testament to Innis's status as a canonical figure in the study of communication and a surprisingly relevant contribution to how we might think about the current sea change in all aspects of social, cultural, political, and economic life stemming from the global shift to digital communication. **Six Centuries of Fine Prints** Orr's Gallery, 1963*

Fine prints from six centuries, 2003 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1967. Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July-December

Arts Digest, 1937 **The Grove Encyclopedia of Materials and Techniques in Art** Gerald W. R. Ward, 2008. The Grove Encyclopedia of Materials and Techniques deals with all aspects of materials, techniques, conservation, and restoration in both traditional and nontraditional media, including ceramics, sculpture, metalwork, painting, works on paper, textiles, video, digital art, and more. Drawing upon the expansive scholarship in *The Dictionary of Art* and adding new entries, this work is a comprehensive reference resource for artists, art dealers, collectors, curators, conservators, students, researchers, and scholars. Similar in design to *The Grove Encyclopedia of Decorative Arts*, this one-volume reference work contains articles of various lengths in alphabetical order. The shorter, more factual articles are combined with larger, multi-section articles tracing the development of materials and techniques in various geographical locations. The Encyclopedia provides unparalleled scope and depth and it offers fully updated articles and bibliography, as well as over 150 illustrations and color plates. The Grove Encyclopedia of Materials and Techniques offers scholarly information on materials and techniques in art for anyone who studies, creates, collects, or deals in works of art. The entries are written to be accessible to a wide range of readers, and the work is designed as a reliable and convenient resource covering this essential area in the visual arts. **Fine Prints from**

English Literature, Volume 2 Louis A. Landa, 2015-12-08 Two volumes containing the annual bibliographies of 18th century scholarship published in the *Philological Quarterly* An excellent aid to the student of 18th century literature *Saturday Review* Volume 2 1939 1950 includes consolidated index for both volumes Originally published in 1952 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1948 **Empire and Communications** Harold Adams Innis, 2022-08-01 DigiCat Publishing presents to you this special edition of *Empire and Communications* by Harold Adams Innis DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature *Prints*, 1937 **Catalog of Copyright Entries, Third Series**, 1948 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc
Bibliography and Modern Book Production Percy Freer, 2024-08-01 *Bibliography and Modern Book Production* is a fascinating historic journey through the fields of print history librarianship and publishing It covers key developments from 1494 to 1949 in bibliography and book production from the history of scripts and paper manufacture to the origins of typefaces and printing Although not a textbook the book was a guide for library students in the 1950s on the essential literature of librarianship As the first librarian appointed to Wits University in 1929 Percy Freer's near encyclopaedic knowledge of the subject of bibliography enabled him to develop a key resource for relevant library examinations in South Africa and abroad Due to its immense value as a historic record and to acknowledge Freer's contributions as scholar librarian and publisher it is being reissued as part of the Wits University Press Re Presents series to make it accessible to scholars in book histories publishing studies and information science Magazine of Art, 1924
