Six Sigma for the New Millennium Kim H. Pries, 2009-01-09 This book is designed to walk the reader through the ASQ Certified Six Sigma Black Belt CSSBB Body of Knowledge BoK at a medium level of detail It follows the nine sections of the BoK exactly from enterprise wide deployment organizational process management and measures and team management to detailed coverage of each stage of the DMAIC process With more than 25 tables and 80 figures the various concepts can not only be read about but seen The appendices include all the statistical tables that test takers and also those in the field will need New to this edition is material that shows the Black Belt candidate how to work through some standard statistical tests just the kind he or she might expect to see on the certification exam The author has used this material for several years continually refining it based on students questions and also his own experiences at an electronics manufacturing plant This is truly the guidebook for the new millennium of lean and Six Sigma

Group Dynamics and Team Interventions Timothy M. Franz, 2012-05-21 Organizations thrive or struggle as

a result of interactions among team members To optimize the performance of teams Group Dynamics and Team Interventions bridges the gap between the most up to date academic research findings about group behavior and real life practice Chapters summarize the theories behind group and team behavior while offering proven application and intervention techniques that can be utilized in workplace settings Topics addressed include team formation and development understanding culture and team diversity improving team cohesion decision making and problem solving managing and reducing team conflict team leadership power and influence and others Brief case studies and interventions that illustrate each theory help to enhance the clarity of the topics Group Dynamics and Team Interventions will benefit academics and practitioners alike who gain from a better understanding of the dynamics that inform team behavior along with assessment tools and practical intervention techniques to create and maintain a high performing team

Six Sigma for the Next Millenium Kim H. Pries,2006-02-01 This book follows the ASQ Certified Six Sigma Black Belt CSSBB Body of Knowledge exactly and is designed to walk the reader through at a medium level of detail Organization of the material is completely straightforward broken down into bite size chunks with the student in mind While a plethora of books claim some relation to Six Sigma unfortunately very few of them support the body of knowledge explicitly The author supplies the Black Belt candidate with enough information to pursue the CSSBB examination aggressively with the material in the book and also the ancillary works referenced At the end of each chapter are one or two titles for further reading works that the author owns personally and uses for both work and formal examination study The book can serve as an intense high speed tutorial for the CSSBB examination a reference for the working Black Belt or a resource to find further reading Trainers could use it in their Black Belt certification preparation classes
