Skating To Antarctica A Journey To The End Of The World:

Skating to Antarctica Jenny Diski,1997 This travel journal traces a personal journey to Antarctica For over 30 years Jenny Diski was content to leave the question as to whether her mother was alive or dead unanswered Not knowing the fate of the violent woman she last saw shortly after her father's death in 1966 filled her with a sense of relief rather than of loss Then just as Diski is planning a trip to the dream world of ice her own teenage daughter decides to investigate what had happened to her crazy missing maternal grandmother

Terra Antarctica William L. Fox,2011-04-15 How does the human mind transform space into place or land into landscape For more than three decades William L Fox has looked at empty landscapes and the role of the arts to investigate the way humans make sense of space In Terra Antarctica Fox continues this line of inquiry as he travels to the Antarctic the largest and most extreme desert on earth This contemporary travel narrative interweaves artistic cartographic and scientific images with anecdotes from the author's three month journey in the Antarctic to create an absorbing and readable narrative of the remote continent Through its images history and firsthand experiences snowmobile trips through whiteouts and his icy solo hikes past the edge of the mapped world Fox brings to life a place that few have seen and offers us a look into both the nature of landscape and ourselves
