**Journal of a Mad Man** Derrick McCarson, 2014-02-19 What is the meaning of life The question has been asked by the brightest philosophical minds for centuries Still to this day answers vary greatly depending on the worldview Solomon the wisest king in Israel s history set all his energies to search for the ultimate meaning of life under the sun His conclusions may shock and surprise you vanity chasing after the wind absurdity vanishing smoke Are these the musings of a genius or of a mad man If you are looking for a candy coated appraisal of life then go ahead and put this book down However if you are looking for a no frills brutally honest

ragged edged assessment of reality then you have discovered an indispensable volume In Journal of a Mad Man pastor and author Derrick McCarson will carefully guide readers verse by verse through Solomon s meditations recorded in the Old Testament book of wisdom Ecclesiastes Not only will readers attempt to plumb the depths of some of mankind s most vexing questions but they will also discover Solomon s secrets for wise living in a warped world The Jesus Habits Jay Dennis,2005-01-01 What would Jesus do Perhaps the place to start is by answering another question How did Jesus live The promise in looking at the life of Christ is the thought that it is a life that can be imitated Jay Dennis has unlocked the secret in The Jesus Habits The author presents the disciplines that shaped Jesus life They were his priority and the touchstone to the rhythm of his day They have been practiced for centuries by mystics monks and saints but they can often be overlooked and undervalued in our fast paced hurried and harried modern lives These habits are for everyone the busy executive to the stay at home mom These Jesus habits form distinguishable patterns in the life of Jesus that can become a reality in the life of any Christian **Signs of Life** Dr. David Jeremiah,2011-09-12 A tour de force of life on a journey with Jesus By all means take this journey if you can Chuck Colson Founder Prison Fellowship With our society s sometimes unfavorable view of Christians it is all the more important that believers display what Dr David Jeremiah calls signs of life signs that Jesus has transformed us and that we are committed to Him and His kingdom They are signs that ought to be detected from across the street over the fence down the hall throughout the office or in the pews for it s not enough to just talk about Jesus It s also not enough to serve Him in secret with our acts of private devotion We have to display the lifestyle of the Nazarene in the midst of a corrupt and darkened culture In a world starved for love joy peace patience kindness faithfulness honesty relevance and compassion Christians should specialize in exactly those things through public expressions of private faith It s by our smile our compassion in the face of misfortune our friendliness our simple lifestyle our willingness to commit random acts of kindness our social ministries our tears and our words that unbelievers recognize Who we represent Signs of Life will lead you on a journey to a fuller understanding of the marks that identify you as a Christian Signs that will advertise your faith Personal imprints that can impact souls for eternity and help you become a person of influence who radiates relevancy authenticity generosity and compassion every day just like Jesus did Leading with Billy Graham Jay Dennis,2005-05-01 Many Christians who want to impact the world mistakenly assume that influence belongs only to the ministry front man not to the next tier of leaders and unseen servants But the life of T W Wilson proves otherwise As Billy Graham s closest friend and longtime personal assistant T W Wilson turned his own valuable leadership skills to the task of supporting Billy and ended up influencing thousands of lives both directly and indirectly His life is an inspiring testimony to the power of next level servanthood to maximize the power of the church for the twenty first century Filled with interviews and stories from many of Billy Graham s associates and eight pages of photographs this book offers a fascinating look inside the most successful evangelistic ministry of modern times as well as an inspiring blueprint for purposeful servant leadership
