Daniel E. Harris

Speaking The Word:

Speak the Word Ruth J. Webb, 2019-11-18 I wrote this book to encourage each and every one that reads it You are not alone in this world you have a Savior that loves you that has promised you that he would never leave you that he would be with you until the end of the world His name is Jesus Christ This book is filled with scriptures on the promises and the Word of God to lift you up and let you know that you are not alone **Everyone Speaking the Word of God** Witness Lee, 1987

God desires all men to come to the full knowledge of the truth He also desires that we as believers would speak for Him Everyone may speak for God and everyone can speak for God In the Old Testament when sixty eight elders came before the Lord and began to speak for the Lord Moses said to Joshua Oh that all Jehovah s people were prophets Num 11 29 In the New Testament Paul boldly stated You can all prophesy one by one 1 Cor 14 31 In **Everyone Speaking the Word of God** Witness Lee encourages the believers to begin to speak for God by speaking the Word of God For this he stresses the need for training and even a solid and systematic education in the Word of God so the truths in the Word become the words in our mouth He identifies ten categories of the Word that must become experiential to us through study prayer and the filling of the Spirit These include the word of grace the word of truth the word of the gospel the word of life the healthy word the edifying word the word of righteousness the word of knowledge and the word of wisdom Book jacket **Speak the Word!**

Rosemary Okolo, 2010 We live in a world that is ruled by two systems the system of God and the world s system Suffice to say that these two systems are ruled by the Power of WORDS Words are so powerful more powerful than we can ever realize The words you speak can either build you up or send you into a depressed state Do you know that the power of life and death is in your tongue And that your words can change the world in which you live Do you know that if you looked back at your life you would find out that you are where you said you would be The words you speak determine who you become You can never rise beyond what you speak This Book will give you a clear understanding on how to use your words to work for you and not against you *The Secret Power of Speaking God's Word* Joyce Meyer, 2004-08-26 1 New York Times bestselling author

Joyce Meyer teaches readers how to create change in their lives and truly receive God s blessings Includes powerful Scriptures covering over 50 topics such as patience loneliness and wisdom *Speaking the Word of God by Faith* Jamal E. Quinn, 2019-03-02 The Bible has a lot to say about speaking life being a hearer and doer of the Word and walking by faith and not by sight The Bible also says that a threefold cord is not easily broken in Ecclesiastes 4 12 When all three of these principles are utilized together I believe that great blessing strength and grace are released over the believer s life In this book I will share scripture that will encourage you to speak life and to stand on the Word of God with overcoming faith As you read the scriptures it is my prayer that the LORD will bless you exceedingly abundantly and above all you may ask or think according to the power that works within you Eph 3 20 **The Power to Speak** Rebecca S. Chopp, 2002-11-22 In a calm sustained style the author breaks new ground in the ongoing feminist theological pilgrimage one that will make

traditionalists squirm and liberationists cheer Choice In The Power to Speak Rebecca Chopp offers an exhilarating defense of feminist theology as proclamation and good news for all Arguing for a critique and transformation of language subjectivity and politics this thoughtful engaged book opens new directions in feminist thought Elizabeth Fox Genovese A provocative treatment of feminist theology s deepest potential to transform the discipline through language WATERwheel Rebecca Chopp is developing an original theological position Her interpretation of Christian faith and Christian theology as having to do primarily with emancipatory transformation breaks through the individualistic pietism of modern liberalism as well as the provincialism of many of the liberation theologies Gordon D Kaufman We Speak the Word of the Lord Daniel E.

Harris,2012-05-01 We Speak the Word of the Lord A Practical Plan for More Effective Preaching will help all priests deacons chaplains and other ministers called to proclaim God s word Working individually with an informal study group or in a structured continuing education program preachers can use this book to review and improve upon all aspects of preaching
