Speaking In Our Tongues:

Speaking in Tongues Alexander O. Sign, 2014-06-05 This book will give you an in depth biblical understanding of speaking in tongues It examines the designs uses and benefits of speaking in tongues and the right biblical attitudes every Christian should adopt toward speaking in tongues It exposes you to why speaking in today is still for today and why some Christians can't speak in tongues

What the Bible Says about Speaking in Tongues John Argubright, 2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets

Speaking in Tongues Mark J. Cartledge, 2012-04-04 Speaking in tongues glossolalia is a common spiritual phenomenon in the Pentecostal and Charismatic streams of the Christian church Such Christians believe that when they speak in tongues they are communicating with God in a language that they have never learned spiritual prayer language given to them by the Holy Spirit This innovative volume seeks to enhance our understanding and appreciation of glossolalia by examining it from a range of different angles Christian scholars from diverse academic disciplines bring to bear the insights of their own specialist areas to shed new light on the practice of speaking in tongues The disciplines include New Testament Studies Max Turner Theology Frank D Macchia History Neil Hudson Philosophy James K A Smith Linguistics David Hilborn Sociology Margaret M Poloma Psychology William K Kay A final chapter by Mark J Cartledge seeks to show how all of these perspectives can work together and enrich a Christian appreciation of the gift of tongues

Speaking in Tongues Kathleen Schwab, Matthew Schwab, Chris McKinney, 2020-02-02 Have you ever wondered why your prayer language doesn't sound like real words And why is it so repetitive Why does it usually start with the same few words or syllables Maybe you've asked those questions at times We've asked the same questions and quite a few others regarding the gifts of tongues and interpretation of tongues Then we sought the Lord for understanding of these gifts and did our best to operate in them faithfully He gave us many insights and answers and then brought it all together in a book That was something we never really planned It just sort of happened We aren't megachurch pastors We don't lead multi-national ministries But we did have a calling from the Lord to write a book and spread a message What exactly is that message Speaking in tongues and interpreting tongues are powerful gifts with practical use for everyday people like us When people operate in these gifts God blesses the person operating in the gift but

He also blesses the people around them

Speaking in Tongues Felicitas D. Goodman, 2008-04-15 Speaking in tongues or glossolalia is practiced in many different religions around the world Dismissed as meaningless gibberish by some observers it has been the subject of only a few fragmentary studies The work of Felicitas D Goodman represents the first cross cultural analysis of this enigmatic behavior and she brings to her research an extensive background in linguistics and anthropology Dr Goodman's fieldwork included living with apostolic congregations in Mexico City in the Yucatan with Maya Indians and visits with a congregation in Hammond Indiana Her observations were preserved on a remarkable collection of sound recordings and films For this book she presents a selection of conversion stories that highlights the personality structure and experiences of the speakers A detailed analysis of the phonological and suprasegmental features of the recorded utterances show a surprising cross cultural agreement This led Goodman to believe that glossolalists speak the way they do because their speech behavior is modified in a particular mental state often termed trance into which they place themselves In this light the glossolalia utterance is seen as an artifact of a hyperaroused mental state or in Chomskyan terms as the surface structure of a nonlinguistic deep structure that of the altered state of consciousness Goodman describes the hyperaroused mental state as a neurophysiological phenomenon as well as the associated patterns of movement and the problems of waking from it Goodman's diachronic approach yielded equally surprising data about the changes and the waning of the behavior over time But as she observes we have barely touched the edge of a very large area of inquiry Her fascinating study opens a number of new avenues of research for anthropologists such as the study of physiological states accompanying linguistic and ritual behavior

Should All Speak with Tongues? Mac Ward Symes, 2013-03-07 Should All Speak with Tongues is a resource for anyone truly interested in whether

or not speaking in tongues is a valid current manifestation of the Holy Spirit that should be experienced by all Christian believers. It shows scripturally how one is given the gift of the Holy Spirit when born again which Jesus described as being born of the Spirit John 3:78 therefore one has the potential for the operation of all the gifts of the Spirit immediately upon being saved and should walk and live in the Spirit thereafter Galatians 5:23. Speaking in tongues is one of the nine gifts of the Spirit that are given to every believer. Now to each one the manifestation of the Spirit is given for the common good 1CO 12:7 NIV.

The School of Arizona Dranes Timothy Dodge, 2013-09-12 Arizona Dranes 1889-1963 was a true musical innovator whose recordings made for the Okeh label during the years 1926-1928 helped lay the foundations for what would soon be known as gospel music. Her unique blend of ragtime barrelhouse and boogie woogie piano plus her exciting and emotional Pentecostal style of singing influenced the development of gospel music for the next forty years and beyond. The School of Arizona Dranes Gospel Music Pioneer covers the life and career of Dranes and situates her accomplishments in the broader history of African American gospel music and the rise of the Pentecostal movement. Starting with the earliest recordings of the music in the late nineteenth century, this book provides a history of African American sacred and gospel music that convincingly demonstrates the revolutionary nature of Dranes's musical accomplishment. Using specific examples, the author traces the far-reaching influence of Arizona Dranes on African American gospel piano playing and singing.

Christ In Our Midst Clairann Nicklin, 2018-04-16 This book was written to help me understand what the fruits and the gifts of the Holy Spirit are and what they were supposed to mean to me and how to use them in my life. The more that I discovered and shared with others, the more that I understood that I was to share this knowledge with all who have this same hunger. The fruits of the Holy Spirit given to us as a grace from God in our baptism are what molds us into the image and likeness of God. Genesis 1:26 The fruits are the personality of Jesus when He lived on earth. Jesus gives us the example with His very life. It is important for us to be fruitful and multiply physically for life to carry on, but it is spiritual fruitfulness that will change the world. We each have an intricate role to fill, whether single, married, laity, religious, man, woman, child, adult. God created each of us for a specific purpose. And He gives us the tools to do our work. They are the gifts of the Holy Spirit that are listed in Isaiah 11:2-3. The most known charismatic gifts are listed in 1 Corinthians chapters 12-14, but this is not all; there is more. To each one is given a manifestation of the spirit for the common good 1 Corinthians 12:7. When we use a charism to help another person, our Isaiah gifts come forward within us, and as that happens, the fruits of the Holy Spirit pour out of us as a grace from God; that is how we share the love of God with another. God doesn't make cookie-cutter Christians; He tailors each individual for a special ministry to help our Church grow. Can you believe it? God wants us to fulfill a portion of His plan designed to bring all people to eternity with Him. Writing this book has helped me understand the simplicity of how the fruits, gifts, and charisms work together to build up the kingdom of God.
