Speeches Charles Dickens, 2014-09-13 Charles Dickens needs no formal introduction having been the most popular English writer of the 19th century and still one of the most popular writers in history today Dickens upbringing was a mixture of happy times and sad when he recalled his father being sent to debtor's prison in his memoirs his tears actually left marks on the page Nevertheless Dickens was obsessed with reading making him a natural journalist by the age of 20 when he began a career in journalism Along the way he also began writing his own short stories and materials often serializing them in monthly installments in publications a popular method of publishing in the 19th century Unlike most writers Dickens would not write an entire story before it began its serialization allowing him to work on the fly and leave plot lines up in the air with each opportunity By the time he died at the relatively young age of 58 from a stroke he was already Europe's most famous writer His obituary noted that Dickens was a sympathizer with the poor the suffering and the oppressed Dickens was interred in Westminster Abbey a rare honor bestowed only among the greatest and most accomplished Britons Many of Dickens novels were written with the concept of social reform in mind and Dickens work was often praised for its realism comic genius and unique personalities At the same time however Dickens ability as a writer was nearly unrivaled with his ability to write in prose unquestioned and unmatched

Speeches Literary and Social Charles Dickens, 1869 **Speeches, Literary and Social (Annotated)** Charles Dickens, 2020-04-30 Differentiated book It has a historical context with research of the time **Speeches Literary and Social by Charles Dickens** A fascinating collection of literary and social speeches by Charles Dickens Charles Dickens Charles John Huffam Dickens FRSA February 7 1812 June 9 1870 was an English writer and social critic He created some of the world's best known fictional characters and is considered by many to be the best novelist of the Victorian era His works enjoyed unprecedented popularity during his lifetime and by the 20th century critics and scholars recognized him as a literary genius His novels and short stories are still widely read today Born in Portsmouth Dickens dropped out of school to work in a factory when his father was incarcerated in a debtor's prison Despite his lack of formal education he edited a weekly newspaper for 20 years He wrote 15 novels five novels hundreds of short stories and non fiction articles lectured and read extensively was an indefatigable letter writer and campaigned vigorously for children rights education and other social reforms Dickens literary success began with the 1836 serial publication of *The Pickwick Papers* In a few years he had become

an international literary celebrity *Speeches* Charles Dickens,2020-12-03 IF I felt your warm and generous welcome less I should be better able to thank you If I could have listened as you have listened to the glowing language of your distinguished Chairman and if I could have heard as you heard the thoughts that breathe and words that burn which he has uttered it would have gone hard but I should have caught some portion of his enthusiasm and kindled at his example But every word which fell from his lips and every demonstration of sympathy and approbation with which you received his eloquent expressions renders me unable to respond to his kindness and leaves me at last all heart and no lips yearning to respond as I would do to your cordial greeting possessing heaven knows the will and desiring only to find the way The way to your good opinion favour and support has been to me very pleasing a path strewn with flowers and cheered with sunshine I feel as if I stood amongst old friends whom I had intimately known and highly valued I feel as if the deaths of the fictitious creatures in which you have been kind enough to express an interest had endeared us to each other as real afflictions deepen friendships in actual life I feel as if they had been real persons whose fortunes we had pursued together in inseparable connexion and that I had never known them apart from you It is a difficult thing for a man to speak of himself or of his works But perhaps on this occasion I may without impropriety venture to say a word on the spirit in which mine were conceived I felt an earnest and humble desire and shall do till I die to increase the stock of harmless cheerfulness I felt that the world was not utterly to be despised that it was worthy of living in for many reasons I was anxious to find as the Professor has said if I could in evil things that soul of goodness which the Creator has put in them I was anxious to show that virtue may be found in the bye ways of the world that it is not incompatible with poverty and even with rags and to keep steadily through life the motto expressed in the burning words of your Northern poet The rank is but the guinea stamp The man s the gowd for a that And in following this track where could I have better assurance that I was right or where could I have stronger assurance to cheer me on than in your kindness on this to me memorable night I am anxious and glad to have an opportunity of saying a word in reference to one incident in which I am happy to know you were interested and still more happy to know though it may sound paradoxical that you were disappointed I mean the death of the little heroine When I first conceived the idea of conducting that simple story to its termination I determined rigidly to adhere to it and never to forsake the end I had in view

to observe how similar opportunities of becoming acquainted practically with life and the busy actors on its varied scenes in very early life appear to influence the minds of thinking and imaginative men in after years Goldsmith's pedestrian excursions on the Continent Bulwer's youthful rambles on foot in England and equestrian expeditions in France and Maclise's extensive walks in boyhood over his native county and the mountains and valleys of Wicklow a little later were fraught with similar result
