## **Stump A Campaign Journal:**

Stump Stump Connolly, Scott Jacobs, 1997 Stump follows the 1996 presidential campaign trail the party trail and the paper trail lampooning the candidates without regard for political affiliation The Prospect of Presidential Rhetoric Martin J. Medhurst, 2008-01-17 Culminating a decade of conferences that have explored presidential speech The Prospect of Presidential Rhetoric assesses progress and suggests directions for both the practice of presidential speech and its study In Part One following an analytic review of the field by Martin Medhurst contributors address the state of the art in their own areas of expertise Roderick P Hart then summarizes their work in the course of his rebuttal of an argument made by political scientist George Edwards that presidential rhetoric lacks political impact Part Two of the volume consists of the forward looking reports of six task forces comprising more than forty scholars charged with outlining the likely future course of presidential rhetoric as well as the major questions scholars should ask about it and the tools at their disposal The Prospect of Presidential Rhetoric will serve as a pivotal work for students and scholars of public discourse and the presidency who seek to understand the shifting landscape of American political leadership **The Oxford Dictionary of American Political Slang** Grant Barrett, 2006-06-08 Here is a wonderful Baedeker to down and dirty politics more than six hundred slang terms straight from the smoke filled rooms of American political speech Hatchet Jobs and Hardball The Oxford Dictionary of American Political Slang illuminates a rich and colorful segment of our language Readers will find informative entries on slang terms such as Beltway bandit and boondoggle angry white male and leg treasurer juice bill and Joe Citizen banana superpower and the Big Fix We find not only the meaning and history of familiar terms such as gerrymander but also of lesser known terms such as cracking splitting a bloc of like minded voters by redistricting and fair fight district which refers to areas redistricted to favor no political party Each entry includes the definition of the word its historical background and illuminating citations some going back more than 200 years We learn for instance that a term as seemingly current as political football actually dates back to before the Civil War Selected entries will have extended encyclopedic notes The book also features sidebar essays on topics such as political words in Blogistan a short history of big cheese all about chads and the 2000 election the suffix gate and all the related Watergate terms and the naming of legislation Political junkies policy wonks journalists and word lovers will find this book addictive reading as well as a reliable guide to one of the more colorful corners of American English McClure's Magazine ... , 1912 **Senate and House Journals** Kansas. Legislature. Senate, 1895 **Live from the Campaign Trail** Michael A. Cohen, 2011-02-01 As the country wades into the hotly contested 2008 presidential election season we look to the candidates public pronouncements to gain an understanding of their platforms and to get a sense of the political direction our country might take over the course of the next four years Presidential campaign oratory has always inspired and incited voters In this collection of 27 pivotal campaign speeches Michael Cohen helps bring to life the speeches that defined and dramatized American politics over the last century From

FDR's pledge for a New Deal to Nixon's legendary Checkers speech from Dan Quayle's attack on Murphy Brown to select speeches from this year's presidential race the stump speech has been the primary vehicle for candidates to share their political ambitions and ideals with the American people With supporting essays that set the scene and provide the appropriate context for understanding what was said how it was said and why Live from the Campaign Trail illustrates how campaign speeches have fundamentally shaped the way we think about American politics **National Irrigation Journal**

,1911 *I'm Here to Ask for Your Vote* Christopher J. Devine,2023-12-19 During presidential campaigns candidates crisscross the country nonstop visiting swing states their home turf and enemy territory But do all those campaign visits make a difference when Election Day comes If so how and under what conditions Do they mobilize the partisan faithful or persuade undecided voters What do campaigns try to achieve through campaign visits and when do they succeed I'm Here to Ask for Your Vote is a comprehensive and compelling examination of the strategy and effectiveness of presidential campaign visits Christopher J Devine uses an original database of presidential and vice presidential campaign visits from 2008 through 2020 to estimate the effects of visits on vote choice and turnout both among individual voters and within counties He finds that campaign visits do not usually influence voting behavior but when they do most often it is by persuading undecided voters as was the case for John McCain in 2008 and even Donald Trump in 2020 Challenging the recent emphasis on candidates playing to their base this book suggests that persuasion is still a viable campaign strategy in which candidate visits may play a major role I'm Here to Ask for Your Vote is an authoritative and engaging analysis designed for scholars strategists students and other readers interested in understanding how campaign visits and campaigns more broadly shape presidential election outcomes **Political Campaign Communication** Robert E. Denton Jr.,Ben Voth,Judith S.

Trent,Robert V. Friedenber,2023-11-20 The tenth edition of Political Campaign Communication Principles and Practices provides a clear and thorough survey of the strategic decisions vital to the success of contemporary political campaigns The authors draw on a host of examples involving political campaigns at local statewide and national levels to illustrate all aspects of campaign communication from forms of public address to buttons yard signs and billboards to traditional media and the use of internet and social media platforms Throughout the volume they draw on communication theories to clearly explain contemporary political campaign practices Updated to reflect the most recent practices and events from the 2020 presidential campaign the book also considers journalistic practices and ethical considerations of today Features of the tenth edition Includes examples and data from the 2020 election cycleUpdated and expanded discussion of social media platforms and practicesIncreased art and graphics program to engage students and increase information retentionExpanded discussion of the history practice and state of journalism todayNew chapter on local elections and offices *The Student's Journal*,1880 *The Persuadable Voter* D. Sunshine Hillygus,Todd G. Shields,2014-04-24 The use of wedge issues such as abortion gay marriage and immigration has become standard political strategy in contemporary presidential campaigns Why do

candidates use such divisive appeals Who in the electorate is persuaded by these controversial issues And what are the consequences for American democracy In this provocative and engaging analysis of presidential campaigns Sunshine Hillygus and Todd Shields identify the types of citizens responsive to campaign information the reasons they are responsive and the tactics candidates use to sway these pivotal voters The Persuadable Voter shows how emerging information technologies have changed the way candidates communicate who they target and what issues they talk about As Hillygus and Shields explore the complex relationships between candidates voters and technology they reveal potentially troubling results for political equality and democratic governance The Persuadable Voter examines recent and historical campaigns using a wealth of data from national surveys experimental research campaign advertising archival work and interviews with campaign practitioners With its rigorous multimethod approach and broad theoretical perspective the book offers a timely and thorough understanding of voter decision making candidate strategy and the dynamics of presidential campaigns

Atlantic Educational Journal ,1910      *The Journal of the American Forensic Association* American Forensic Association,1970      *Belford's Magazine* ,1891      Harper's New Monthly Magazine ,1886      *Harper's New Monthly Magazine* Henry Mills Alden,1886 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs      **Imperial Hearst** Ferdinand Lundberg,2017-12-18 Hearst s journalistic ethics were probably never more clearly exposed than during the national election campaign of 1936 It is true that eighty per cent of the newspapers in the United States spread slanders and calumnies against the President But the Hearst organs pulled all the stops and thundered vilification with all the resources at their command The President was portrayed as a lunatic a wastrel arid a cartoonist s version of a frothing Communist Picture and text described him and his advisers as dangerously radical malicious and altogether feeble minded The Hearst press did not hesitate to attribute the source of Roosevelt s social legislation to Moscow Nor did consistency deter Hearst from charging plagiarism from Hitler and Mussolini His newspapers shouted denunciation and abuse Sound familiar This work is the only complete exposition of the financial political and social results of the career of William Randolph Hearst      **The Lumber Trade Journal** ,1917      **The Nightly News Nightmare** Stephen J. Farnsworth,Robert S. Lichter,2011 The Nightly News Nightmare Third Edition examines news coverage of presidential nomination and election campaigns from 1988 to 2008 Farnsworth and Lichter find that the news media despite the wide variety of outlets have consistent problems in terms of fairness and focus      Selling the President, 1920 John A. Morello,2001-04-30 Modern advertising moved into the 20th century borne on many vehicles and distinguished by many techniques three of the most frequently used being reason why advertising celebrity endorsements and pre emptive claims Best known for his reason why advertising Albert Davis Lasker president of the Lord Thomas Agency of Chicago championed all three techniques helping Lucky Strike Cigarettes Van Camp s Pork Beans and Sunkist Oranges become business successes His least known but best work was in the political area where he helped the Republicans gain control of Congress

in 1918 and with the election of Warren G Harding recapture the White House in 1920 This book covers events leading to Harding s nomination and election and the key role Lasker played in his election Bringing along the tricks he had used to sell soap beer cigarettes and canned food Lasker plunged into political advertising forever changing the way political candidates are publicized
