## **Stumpy Grumpy Grasshopper:**

**Stumpy Grumpy Grasshopper** Steve Wide, Michelle Mackintosh, 2002 Meet Stumpy the Grasshopper He s stumpy and he s very grumpy On top of all that he is having a really bad day Can the other creatures in the garden cheer him up Can they put the spring back in his step Witty text and edgy illustrations make this a book to fire the imagination Ages 5-8 *The Bug Boys* Stewart Hoffman, 2016-08-04 Who would have thought that eating a peanut butter sandwich and an apple would change your life Let alone get you mixed up with an old alien research project and transform you into the superheroes your village never needed For two young South Yorkshire lads Alex Adams and Ian Harris it was a geeky comic book dream come true but it wasn't everything it was cracked up to be in the real world They discover there are many layers between good and evil and with great power comes an embarrassing amount of gas **Grumpy the Grasshopper** Wayne Evans Collier, 2012-08-01

Grumpy the Grasshopper is about a little grasshopper who is a pain in the neck and a nuisance and a know it all He loves to annoy and pester everyone around him whenever he could One day while he is about to pounce on beautiful butterfly and tear her limb from limb he is snatched up by a little boy who is going fishing and who plans to use him as fish bait What can he do Will that be the end of him or will beautiful butterfly or anybody be willing to come to his aid and do something to help him escape this horrible fate Is this the end of Grumpy the Grasshopper **Grumpy, the Bullied Grasshopper** Audrey G.

Springer, 2013-10-01 Grumpy was not your usual grasshopper First of all he was big and I mean really BIG Then it was the matter of his attitude He was always so grumpy that all the other grasshoppers in the field tried not to cross his path No one likes to be grumped at and Grumpy was a master at grumping No one knew why he was so grumpy and so he did not have many friends In fact Mini Hopper was the only one in the whole field that tried to befriend Grumpy They did not think that maybe it was because they had teased him so much when he was very young They did not think that teasing was the same thing as bullying and so they had really made him as he was Then the day came when Grumpy had to come to their rescue and the rest is history This is the story of Grumpy s life and how one simple act of kindness can work miracles **Grumpy**

**Grasshoppers and Friends** Anita HEWITT-JONES, 1997 **The Leaping Grasshopper** Jeanne Archambault, 2006

Grasshopper spends a lot of his time leaping He encounters many critters along his way and never pays much attention to them When he sees a big black cat he realizes he may be in trouble and has to figure a way out of his dilemma
