

PRAGMATICS

Pragmatics is the study of how context influences how we interpret and make meaning of communication. It is often described as the study of "language in use".

OVERVIEW

Sometimes, the literal meaning of what is said isn't the implied meaning. Pragmatics goes beyond the literal meaning of words and phrases to understand the intended message based on factors like the social situation, relationship between the speakers, cultural context, situational context, and the way the words are said.

EXAMPLES

- Use of metaphor
- Use of irony
- Use of sarcasm
- Use of deixis
- Use of euphemisms
- Jokes and humor
- Use of silence / mis en scene
- Use of hyperbole
- Use of tautologies

Style and Meaning John Gibbs, Douglas Pye, 2005-08-06 With a common focus on the decisions made by filmmakers the essays in this collection explore different aspects of the relationship between textual detail and broader conceptual frameworks These texts reflect not only those areas of film history which have traditionally been explored through mise en sc ne criticism but also areas such as the avant garde and television drama which have not tended to receive such detailed investigation In these ways the book conducts a series of dialogues with issues in film study which are specifically provoked by close analysis

The Pragmatics of Interaction Sigurd Dønholdt, Jan-Ola Östman, Jef Verschueren, 2009-09-30 The ten volumes of Handbook of Pragmatics Highlights focus on the most salient topics in the field of pragmatics thus dividing its wide interdisciplinary spectrum in a transparent and manageable way While the other volumes select specific philosophical cognitive grammatical social cultural variational or discursive angles this fourth volume is dedicated to the empirical investigation of the way human beings organize their interaction in natural environments and how they use talk for accomplishing actions and their contexts Starting from Goffman s observation that interaction exhibits a structure in its own right that cannot be reduced to the psychological properties of the individual nor to society it contains a selection of articles documenting the various levels of interactional organization In addition to treatments of basic concepts such as sequence participation prosody and style and some topical articles on phenomena like reported speech and listener response it also includes overviews of specific traditions conversation analysis ethnomethodology and articles on eminent authors Goffman Sacks who had a formative influence on the field
