Style Wars Peter York, 1980 *Consumption, Identity and Style* Alan Tomlinson, 2006-05-18 First Published in 1990

This is a book about the meaning of our lives as consumers It is about leisure lifestyle and markets in today s consumer culture In 1986 one measure of people s use of time in Britain identified television watching as the major activity for both men and women outside paid employment and sleeping **Hip-Hop Archives** Mark V. Campbell, Murray

Forman, 2023-09-04 This book focuses on the culture and politics involved in building hip hop archives It addresses practical aspects including methods of accumulation curation preservation and digitization and critically analyzes institutional power community engagement urban economics public access and the ideological implications associated with hip hop culture s enduring tensions with dominant social values The collection of essays are divided into four sections Doing the Knowledge Challenging Archival Forms Beyond the Nation and Institutional Alignments Interviews and Reflections The book covers a range of official unofficial DIY and community archives and collections and features chapters by scholar practitioners educators and curators A wide swath of hip hop culture is featured in the book including a focus on dance graffiti clothing and battle rap The range of authors and their topics span countries in Asia Europe the Caribbean and North America **Hip**

Hop on Film Kimberley Monteyne, 2013-09-13 Early hip hop film musicals have either been expunged from cinema history or excoriated in brief passages by critics and other writers Hip Hop on Film reclaims and reexamines productions such as Breakin 1984 Beat Street 1984 and Krush Groove 1985 in order to illuminate Hollywood s fascinating efforts to incorporate this nascent urban culture into conventional narrative forms Such films presented musical conventions against the backdrop of graffiti splattered trains and abandoned tenements in urban communities of color setting the stage for radical social and political transformations Hip hop musicals are also part of the broader history of teen cinema and films such as Charlie Ahearn s Wild Style 1983 are here examined alongside other contemporary youth oriented productions As suburban teen films banished parents and children to the margins of narrative action hip hop musicals by contrast presented inclusive and unconventional filial groupings that included all members of the neighborhood These alternative social configurations directly referenced specific urban social problems which affected the stability of inner city families following diminished governmental assistance in communities of color during the 1980s Breakdancing a central element of hip hop musicals is also reconsidered It gained widespread acclaim at the same time that these films entered the theaters but the nation s newly discovered dance form was embattled caught between a multitude of institutional entities such as the ballet academy advertising culture and dance publications that vied to control its meaning particularly in relation to delineations of gender As street trained breakers were enticed to join the world of professional ballet this newly forged relationship was recast by dance promoters as a way to invigorate and remasculinize European dance while young women simultaneously critiqued conventional masculinities through an appropriation of breakdance These multiple and volatile histories influenced the first

wave of hip hop films and even structured the sleeper hit Flashdance 1983 This forgotten ignored and maligned cinema is not only an important aspect of hip hop history but is also central to the histories of teen film the postclassical musical and even institutional dance Kimberley Monteyne places these films within the wider context of their cultural antecedents and reconsiders the genre's influence Applied Language Learning ,1993 Conflict, Peace, Security and Development Helen Hintjens,Dubravka Zarkov,2014-08-13 Whilst classical approaches linked development with peace security has become central to understandings of both war and peacetime This book uniquely reflects on how to deal with the convergence of war and peace in the context of global economic and geo political development It addresses methodological challenges in contemporary approaches to conflict violence security peace and development Two dominant contemporary approaches are selected for debate on methodologies and ethical choices rational choice and identity based theorizing The chapters are arranged as dialogues around contending approaches to better understand how the interlocking fields of violent conflict peace development and security can be researched and understood The book considers how theoretical and methodological approaches relate to different ethical and political choices including around engagement and intervention in the four interwoven fields Theoretical methodological and ethical issues emerge from the critical reviews of academic discourses and case study based chapters from across the world including Sri Lanka Ghana Colombia and Rwanda This book is an invaluable resource for postgraduate students and researchers in Development Studies Conflict Studies Peace Studies and Security Studies

Governance of Cons Passion A. Hunt,1996-10-01 This book explores the sumptuary laws that regulated conspicuous consumption in respect to dress ornaments and food that were widespread in late medieval and early modern Europe It argues that sumptuary laws were attempts to stabilize social recognizability in the urban world of strangers and in the governance of cities The gendered character of sumptuary laws are viewed as components of gender wars These laws are explored as projects directed at the reform of popular culture and in their links to the governance of vagrancy and of popular recreation This study challenges the view that the sumptuary actually died and develops an argument that in the modern world the regulation of consumption persists but becomes dispersed throughout a range of both public and private forms of governance The conclusions stresses the persistence of projects of governance of personal appearance and of private consumption

Words of the Prophets Jonathan Gross,2023-05-25 Words of the Prophets treats graffiti as a form of political prophecy Whether we consider austerity in Thessaloniki Camorra infiltration in Naples the fall of Communism in Gdansk or the rise of gang warfare in Chicago graffiti is a form of democratic self expression that dates back to Periclean Athens and the Book of Daniel Words of the Prophets offers close readings of 400 original photographs taken between 2014 and 2021 in Philadelphia Venice Milan Florence Syracuse and Warsaw alongside literary works by Pawel Huelle films by Andrezej Wajda Antonio Capua and music videos by Natasha Bedingfield and Beyonc A third of the book is dedicated to interviews with Krik Kong Iwona Zajac Ponchee 193 Jay Pop Ser Simoni Fontana and Mattia Campo Dall Orto *The*

Cultural Devolution Neil Mulholland, 2017-10-23 Title first published in 2003 What happened to art in Britain when the balance began to shift from public to private subsidy following the IMF crisis in 1976 In this polemical book Neil Mulholland charts the political and cultural shifts in art in Britain from the mid 1970 s to the end of the twentieth century His account covers the key trends and artists of this extraordinarily diverse period including critical postmodernism feminism neoconservatism object sculpture the new image Brit Art and Scottish neoconceptualism and traces the development of critical thinking from the opinions of critics such as Richard Cork John Roberts and Matthew Collings to tabloid press art scandals The Cultural Devolution offers a broad critical and historical framework within which to understand public debate on the merits of young British artists such as Damien Hirst while looking beyond such celebrities to re discover the wealth and range of work produced Essential reading for anyone interested in contemporary art in Britain *Foundation* Joseph G. Schloss, 2009-03-05 From deep within the New York hip hop scene author and b boy Joe Schloss takes participant observer fieldwork to its extreme The first serious study of b boying the pre eminent form of hip hop dance commonly known as breakdancing *Foundation B boys B girls and Hip Hop Culture in New York* holds to its name presenting a truly foundational study of the core concepts in the history practice and pedagogy of the dance form The book delivers a powerful new paradigm for the study of hip hop culture and of popular culture more broadly and promises to become a seminal text in hip hop scholarship and dance theory *Documentary Making for Digital Humanists* Darren R. Reid, Brett Sanders, 2021-11-02 This fluent and comprehensive field guide responds to increased interest across the humanities in the ways in which digital technologies can disrupt and open up new research and pedagogical avenues It is designed to help scholars and students engage with their subjects using an audio visual grammar and to allow readers to efficiently gain the technical and theoretical skills necessary to create and disseminate their own trans media projects *Documentary Making for Digital Humanists* sets out the fundamentals of filmmaking explores academic discourse on digital documentaries and online distribution and considers the place of this discourse in the evolving academic landscape The book walks its readers through the intellectual and practical processes of creating digital media and documentary projects It is further equipped with video elements supplementing specific chapters and providing brief and accessible introductions to the key components of the filmmaking process This will be a valuable resource to humanist scholars and students seeking to embrace new media production and the digital landscape and to those researchers interested in using means beyond the written word to disseminate their work It constitutes a welcome contribution to the burgeoning field of digital humanities as the first practical guide of its kind designed to facilitate humanist interactions with digital filmmaking and to empower scholars and students alike to create and distribute new media audio visual artefacts ***Make It Bigger*** Paula Scher, 2002-08 Scher reveals her thoughts on design practice drawing on her experiences as a leading designer in the USA The book includes a survey of Scher s work from her designs as art director at Columbia Records to her identity for New York s Public Theater

Making a Promised Land Paula J. Massood, 2013-01-22 Making a Promised Land examines the interconnected histories of African American representation urban life and citizenship as documented in still and moving images of Harlem over the last century Paula J Massood analyzes how photography and film have been used over time to make African American culture visible to itself and to a wider audience and charts the ways in which the Mecca of the New Negro became a battleground in the struggle to define American politics aesthetics and citizenship Visual media were first used as tools for uplift and education With Harlem's downturn in fortunes through the 1930s narratives of black urban criminality became common in sociological tracts photojournalism and film These narratives were particularly embodied in the gangster film which was adapted to include stories of achievement economic success and later in the century a nostalgic return to the past Among the films discussed are Fights of Nations 1907 Dark Manhattan 1937 The Cool World 1963 Black Caesar 1974 Malcolm X 1992 and American Gangster 2007 Massood asserts that the history of photography and film in Harlem provides the keys to understanding the neighborhood's symbolic resonance in African American and American life especially in light of recent urban redevelopment that has redefined many of its physical and demographic contours Can't Stop Won't Stop Jeff Chang, 2007-04-01 Can't Stop Won't Stop is a powerful cultural and social history of the end of the American century and a provocative look into the new world that the hip hop generation created Forged in the fires of the Bronx and Kingston Jamaica hip hop became the Esperanto of youth rebellion and a generation defining movement In a post civil rights era

defined by deindustrialization and globalization hip hop crystallized a multiracial polycultural generation's worldview and transformed American politics and culture But that epic story has never been told with this kind of breadth insight and style Based on original interviews with DJs b boys rappers graffiti writers activists and gang members with unforgettable portraits of many of hip hop's forebears founders and mavericks including DJ Kool Herc Afrika Bambaataa Chuck D and Ice Cube Can't Stop Won't Stop chronicles the events the ideas the music and the art that marked the hip hop generation's rise from the ashes of the 60's into the new millennium
