Cullen,2012-02-29 A fascinating examination of one of the best known British forces of the Second World War An efficient and increasingly professional military unit History of War What was the Home Guard Who were the men and women who served in it And what can be said of their real role and significance once the popular myths have been stripped away Despite the fame of the Home Guard of Dad s Army the true story of this wartime organization tends to be neglected The myths obscure the reality Stephen Cullen s aim in this thoroughgoing new study is to cut through the misunderstandings in order to reassess the Home Guard and its contribution to Britain s war effort and to deepen our understanding of the men and women who were members of it He sets the Home Guard in the long historical context of domestic defense planning then focuses on the preparations made before the outbreak of the Second World War In detail he traces the changing role of the Home Guard during its wartime existence as it adapted to meet the multitude of challenges it faced from civil defense and intelligence gathering to training for guerrilla warfare This enjoyable and well illustrated book covers the rags to riches story of the Home Guard from the 1940 volunteer in civilian clothing armed with a keepsake from an earlier war to the fully trained and equipped part time soldier The Armourer An interesting and accurate account of a force that was in fact a well drilled well organised and by wars end a very professional fighting unit by the time of its stand down in 1944 WW2 Connection The Home Guard Training Pocket Manual Lee Johnson,2019-02-19 Excerpts from the many unofficial manuals avidly bought by members of the British Home Guard desperate to prepare for invasion during World War II How would you clear a stoppage on a Bren Gun while in action What is the most effective way to clear a wood of enemy forces How best could you counter a landing by enemy airborne forces in your area What measure can you take to help ensure accurate rifle fire at night What qualities should you look for when selecting a patrol commander Just a few of the practical questions posed and answered in the selection of publications included in The Home Guard Training Pocket Manual Numerous manuals and training pamphlets were privately published during World War II to supplement the slim official Home Guard manual produced by the War Office Covering everything from patrolling night fighting drill and small arms proficiency to the legal powers of the Home Guard these manuals were welcomed by the men of local Home Guard units keen to do everything possible to prepare for possible invasion when they would be the first line of defense This pocket manual collates a selection of material from these fascinating publications often written by serving soldiers and reprinted multiple times due to demand **The Home Guard** United States. Green,2018-03-22 The Home Guards are an attacking force lying in wait for and ready to destroy and enemy who dares to set foot on our shores The Home Guard has been immortalised in British culture in the TV series Dad's Army Formed by men not eligible for active service too old too young in reserved occupations vital to the war effort who were expected to resist a German invasion with any resources they had to hand the Home Guard is the embodiment of plucky British resolve against the odds The Home Guard Pocket Book evokes this spirit Written by Brig Gen Green commanding 4th battalion Sussex Home Guard and Training Adviser for the Sussex Zone this book is based on his experience and in his own words is the result of my ransacking the dusty pigeon holes of memory and the condensation of many books official instructions and writings Its tone is informal and colloquial such as March discipline Troops will always march off the parade ground at the Slope As soon as this has been done the order March at Ease should be given When marching at ease the rifle may be carried in any way a soldier fancies Nevertheless the book is full of sound advice on training organisation and discipline fire arms reconnaissance and field engineering the responsibilities of the Group Pigeon Officer the proper position to adopt for surviving a dive bomb attack and how to set a trap for an unwary advancing German cyclist *The Real Dad's Army* Norman Longmate,2012 A narrative history of the Home Guard from its creation in May 1940 to the end of the Second World War The enduring popularity of the BBC TV series Dad's Army has focused attention on one of the strangest and least military armies ever formed The British Home Guard What started as an improvised band of volunteers had grown by 1942 into a conscripted disciplined and well equipped force with a strength of nearly two million men Norman Longmate an ex member of the Home Guard and an authority on wartime Britain has collected together a wealth of hilarious anecdotes as well as all the unlikely facts to produce the first popular history of the Home Guard to be written since the war *Contesting Home Defense* Penny Summerfield,Corinna Peniston-Bird,2007-06-15 Contesting Home Defence is a new history of the Home Guard a novel national defence force of the Second World War composed of civilians who served as part time soldiers it questions accounts of the force and the war which have seen them as symbols of national unity The book makes a significant and original contribution to debates concerning the British home front and introduces fresh ways of understanding the Second World War *The Home Guard* S. P. Mackenzie,1995 MacKenzie's detailed history of the Home Guard offers a new perspective on the men who took up the challenge Despite its popular image of old men and teenagers playing soldiers the Home Guard often as large as the wartime army became an astonishingly strong political force in its own right **The Home Guard Training Manual** John Langdon-Davies,1942 Defence of Houses COLONEL G. A. WADE,2020-11 Houses are found in infinite variety Some are suited for defence others are absolute death traps Think is it strong Has it a cellar Are its surrounding suitable Is it capable of all round defence Make your defences so good and so cunning that when the enemy begins to attack you can heave a sigh of relief and say He's going to ask for it and he will get it Defence of Houses is the third installment in a series of training books written in 1942 by Colonel G A Wade for the newly recruited Home Guard This reproduction from the

Royal Armouries archive shows how Second World War trainees learnt to defend themselves amidst the threat of enemy invasion This fascinating facsimile book is the perfect gift for any enthusiast of the Home Guard **DEFENCE OF HOUSES**

G. a. Wade,2016-09-09 Another in the series of booklets written by Col G A Wade and published in the dangerous year of 1940 intended for the instruction of the newly recruited Home Guard Colonel Wade s clear writing and the diagrams tell the new recruits quite literally how to Guard their Homes **The Home Guard, Hearings ..., on S. 4175 ..., August 13, 15, Sept 5, 20, 25, 1940** United States. Congress. Senate. Committee on Military Affairs,1940 *ADVANCED TRAINING FOR THE HOME GUARD* John Brophy,2016-09-02 Aimed at the new Home Guard early in World War Two and the sort of situation they were likely to encounter defending their homes this little book both advises on tactics and posits ten situations the Home Guard were likely to face in the event of an enemy invasion The Home Guard Manual ,1917 **Rules and Regulations of the Berrien Mounted Home Guard** Confederate States of America. Army. Berrien Mounted Home Guard,1861 *To the Last Man* Malcolm Atkin,2019-04-30 This historical study of the UK s WWII homeland defense service dispels the propaganda and pop culture myths to reveal its true wartime role In 1940 Britain formed an armed citizen militia to act as the first line of defense in case of Nazi invasion an essential if suicidal mission intended to buy time for the organization of regular forces Officially they were the Home Guard Later a British sitcom that ran for nearly a decade in the 60s and 70s dubbed them Dad s Army That show contributed to a distorted perception of the Home Guard that persists today But as Malcolm Atkin reveals in this thought provoking book the Home Guard s image was manipulated from its earliest days Sifting through official documents and contemporary histories as well as stories artwork and poetry of the era and comparing these with postwar films and histories Atkin explores how the myths of the Home Guard arose and were exploited He also shows how the strong sense of gallows humor amongst its volunteers which fits in with a long tradition of self deprecating humor in the British army was taken out of context and became the basis of the TV series To the Last Man strips back the myths analyzing how the modern perception has evolved The result is a new gritty and sometimes shocking appreciation of the role that the Home Guard was expected to play in the Second World War *Notes on Shooting for the Home Guard. Illustrated* Great Britain. - Army. - Local Defence Volunteers, afterwards Home Guard,1940 Medicine Versus Invasion Gerald Bertram Shirlaw,Clifford Troke,1941 An essay in casualty service tactics for R A M C Home Guard and civil defences together with military appreciations and first aid manual for modern warfare
