## **Sublime Myth Makes Grotesque History:**

*Who Is This King of Glory?* Alvin Boyd Kuhn, 2007-09 This book reveals that much of Christianity and its beliefs had originated in ancient Egypt rather than the Middle East The author presents us with how where and why many spiritual Egyptian beliefs were adopted into Christian form and accepted as history as opposed to being carried over in their original mythological form Kuhn states The gospels are not and never were histories They are now proven to have been cryptic dramas of the spiritual evolution of humanity and of the history of the human soul in its earthly tabernacle of flesh For Christianity to be expressed in the way it was first intended as experienced during the first two centuries of its existence one must first acknowledge its pagan roots This is too much of a leap for most people but they have not read this book The author reveals how things were altered in the third century by the existing priesthood and why **The Pagan Christ** Tom

Harpur, 2009-05-26 A provocative argument for a mystical rather than historical understanding of Jesus leading to a radical rebirth of Christianity in our time For forty years scholar and religious commentator Tom Harpur has challenged church orthodoxy and guided thousands of readers on subjects as controversial as the true nature of Christ and life after death Now in his most radical and groundbreaking work Harpur digs deep into the origins of Christianity At a time of religious extremism Tom Harpur reveals the virtue of a cosmic faith based on ancient truths that the modern church has renounced His message is clear Our blind faith in literalism is killing Christianity Only with a return to an inclusive religion where Christ lives within each of us will we gain a true understanding of who we are and who we are intended to become **The Pagan Christ** is a book of rare insight and power that will reilluminate the Bible and change the way we think about religion **Tom**
