

# SUBMERSIBLES AND UNDERSEA LABS OF THE WORLD

Michael Chester and Thomas Chester

The background of the book cover is a photograph of a submersible underwater. The submersible is a large, white, cylindrical vessel with a conical nose and various mechanical details visible. It is positioned horizontally in the center of the frame. The water is a deep, dark blue, and there are some faint, blurry shapes in the background, possibly other submersibles or underwater structures. At the bottom left, there is a yellow library label with the text "A Grosset Library Edition" and a small white sticker with the number "7".
